S. Mountain Fair Assn. Chooses Officers; Plans '61 Fair; Receives Plaque

M. E. Knouse, Arendtsville, one of the organizers of the South Mountain Fair Association years ago and an officer of the fair ever since, was elected for another term as president of the association at the annual meeting of the fair association members Tuesday evening at the Arendtsville National Bank. Twenty-one attended.

At the same session W. Clayton Jester, Biglerville R. D., was chosen as the new vice president to succeed Rowe M. Martin and Dale E. Ecker, Arendtsville banker, was re-elected secretary-treasurer.

Earlier in the business session the association members had elected Mr. Knouse; Fred McDannell, Arendtsville, and Ralph W. Tyson, Idaville, of the board of directors for terms of five years. Knouse and McDannell were re-elected to succeed themselves while Tyson takes the place of Robert C. Lott, Aspers R. D., on the board.

ANNOUNCE FAIR DATES

Plans for the 1961 fair to be held from September 5 through 9 were discussed and various department chairmen made reports and recommendations. Glenn Miller, chairman of the entertainment committee, discussed plans for this year's entertainment attractions.

County Farm Agent Frank Zettl discussed means of promoting interest in the farm crops department of the fair.

It was announced that a horse show again will be a final day feature of the 1961 fair and there were suggestions that several new classes be added to the popular event.

Some damage was reported by snow to the roof of the restaurant building and other fair structures but it was described as not serious.

The next meeting of the board of directors will be held April 27 when committee and department heads will be invited to attend.

Who Says What Women Should Wear In Office?

NORWICH, Conn. (AP) — A woman employee of the Public Utilities Department is standing on her rights to come to work in low heels.

"This is America. We're living in a democracy," said Judith Elwell Tuesday after she was suspended from her job for three days for defying her boss' edict against informal attire.

Depressed at what he called the sloppy appearance of the department's women employees, Public Utilities Manager Philip L. White last week banned "leotards, bobby socks, knee socks, slacks, loafers, moccasins, ballet slippers and other shoes without heels."

For a few days Mrs. Elwell complied. Then she reappeared in low heels and, after a warning, she was suspended.

Mrs. Elwell said she was more comfortable in the low heels. "After all, I don't type with my heels," she said.

WOMAN LOSES MURPHY SUIT SECOND TIME

Trial of the trespass action brought by Mrs. Elizabeth M. Finney, 81, formerly of Harrisburg, against the G. C. Murphy Co., Baltimore St., came to a sudden end Tuesday afternoon.

When attorneys for Mrs. Finney announced to the court that they had completed presentation of their side of the case, Attorney John A. MacPhail of the law firm of Brown, Swope and MacPhail, which represented the store, moved that the court declare a compulsory nonsuit in favor of the defendant.

He held that the plaintiff had failed to present a case showing the negligence on the part of the Murphy store. Granting that all the testimony presented up to that point was true, Attorney MacPhail said, in his motion to the court, it did not show any negligence on the part of the store which would make it liable for damages.

The court agreed and the jury was dismissed, thus ending the civil trial for the current term of court. Eight cases had been scheduled. All but the Finney case had been settled or continued. It ended at the "half-way mark" before the defendants had presented any testimony.

Attorney MacPhail in his motion stated that while it was shown that Mrs. Finney fell in the store and that she had suffered a hip injury which led to a number of operations, there was no evidence to show that what she had fallen on had been put there by the defendants or that they had any knowledge that it was there. Mrs. Finney in her testimony had said

Flour And Feed Mill Damaged In Blaze

The East Berlin Flour and Feed Mills, Inc., was badly damaged in a fire early this morning. Firemen estimated the loss at \$175,000, but the owner said he could not give an estimate until after he had completed a survey of the damage. Spontaneous combustion is said to have caused the blaze.

FEED MILL IS DESTROYED BY BLAZE TODAY

Fire Chief Melvin Eisenhart, of East Berlin, later today estimated the damage at \$175,000 which, he said, is covered by insurance. He said the fire apparently was caused by spontaneous combustion.

Fire this morning destroyed the feed mill and offices of the East Berlin Flour and Feed Mills, Inc.

No estimate of damage is expected for several days, Richard Riggs, owner of the mill, told reporters. He said that a survey will have to be made of machinery and equipment to determine how extensively they are damaged.

The fire apparently started in the feed mill behind the offices in the concrete block structure.

At 5:30 o'clock this morning Glenn Herman saw fire swirling from the roof of the feed mill and called East Berlin firemen.

As the firemen arrived a door exploded and a truck loaded with feed, parked near the mill, caught fire and was partially damaged before firemen could extinguish that blaze.

FATAL CRASH SUNDAY FIRST SINCE SEPT.

Ten persons were hurt and one killed in 30 highway accidents investigated by state police from the local substation in February.

Sgt. Joseph Tappe, commanding officer at the post, said the fatal accident Sunday was the first on the county's highways since last September.

Damage in the 30 traffic accidents totaled \$19,185.

The total traffic accidents and damage in February compares to 27 accidents in which 26 were hurt and damage totaled \$20,705 in February, 1960. It also compares to 30 accidents in which 13 were hurt and damage totaled \$22,875 in January.

117 ARRESTS

During last month the local officers made 117 arrests on traffic charges and made 17 arrests on criminal charges arising from 16 investigations during the month.

The officers conducted 100 examinations for drivers' permits. Of that number 73 passed and 27 failed. The officers also gave an examination to a bus driver, who passed, and made a special examination which the person examined passed.

Seventy-three eye examinations were made in connection with securing drivers' permits and seven persons were at the station for eye examination in connection with renewal of their driver's license.

\$2,200 Accident On Lincoln Highway

Damage totaled \$2,200 when two trucks collided Tuesday afternoon at 12:30 o'clock near the Hankey service station 7 1/2 miles west of here on the Lincoln Highway.

State police said William Prowell, 51, York, driving east, attempted a left turn with his truck and it was struck on the side by an eastbound truck operated by Ronald R. Hill, 27, Orrstown R. 1.

Damage was estimated at \$1,000 to the side of the Prowell truck and \$1,200 to the right front of the Hill vehicle. No one was injured.

SOROPTIMIST CLUB MEETS

Twenty-seven members of Soroptimist Club of Gettysburg heard reports of committee chairmen at the REA building Tuesday evening at a monthly meeting presided over by Mrs. Sizer Burton, president. Mrs. Howard Hartzell was named to represent the club on the reorganized Woman's Civic Council, of which another club member, Mrs. G. E. Buehler, has been elected president. The club approved accepting a postponed date to serve as hostesses for the hospital auxiliary.

BODIES OF 2 ARE FOUND AT KEYMAR

Maryland State Police from the Randallstown barracks today are continuing their investigation of a double shooting at Keymar, Md., Tuesday evening which they said today appears to be a case of murder and suicide.

The dead are Mrs. Margaret Emma Miller, aged 36, wife of Robert Maxwell Miller, near Keymar, and a boarder in the Miller home, Waldo Jackson, 28, an employee of the Carroll Transportation Company, Union Bridge.

Police said Mrs. Miller was shot in the forehead while Jackson had been shot four times, twice through the chest, once in the hip and once in the left hand.

FOUND BY HUSBAND

Officers said Mrs. Miller apparently killed Jackson and then took her own life. The bodies were found about 10:45 o'clock by Mr. Miller in a first floor bedroom.

Dr. James Marsh, Carroll County medical examiner, was called and said both had died of gunshot wounds. A semiautomatic .22 caliber rifle was found near the bodies, the officers said.

No further details about the double shooting were available today. The bodies are at the Fuss Funeral Home in Taneytown where arrangements are being made to bury Mrs. Miller Friday while Jackson's body will be sent to his former home in Kentucky.

SERVICES FRIDAY

Mrs. Miller was a daughter of the late Charles U. Mehning and Mrs. Nellie (Lookingbill) Mehning of Keymar. Besides her mother and husband she is survived by a sister and a brother, Mrs. Forrest Roser and William F. Mehning, both of Keymar.

She was a member of the Haugh's Lutheran Church, Ladies-burgh. Funeral services will be held at the church Friday at 2 p.m. The casket will be closed but friends may call at the Fuss Funeral Home in Taneytown Thursday evening.

LOSES LEATHER WALLET

Mrs. Charles Townsend, Gettysburg R. 2, reported to borough police Tuesday that her husband lost his black leather wallet, containing \$1 and personal cards.

15 MARRIAGE LICENSES

Fifteen marriage licenses were issued in February, according to Clerk of the Courts Kenneth Johns. This compared to 10 in February of 1960 and 10 in 1959.

PROJECTOR IS GIVEN SCOUTS BY EXCHANGE

The Exchange Club, at its weekly meeting Tuesday evening in the Lamp Post Tea Room, presented Boy Scout Executive Stanley Rogers with a 16 millimeter Bell and Howell movie projector, an extra speaker and a 70-by-70 inch screen.

In accepting the gift, Rogers said it was "most appreciated and every member of the club ought to be real happy to do something like this." The executive added that in his eight years of Scouting activities, this was the largest single gift he has received in any of the four districts he has worked.

He said that the club had several members who were quite active in the Black Walnut District Scouting program and urged other members to participate. He said there are 847 Scouts in 33 units in the district, an all-time high. "But with gifts like these, we are able to care for every Scout who wishes to participate in our program," he added.

Samuel Scott, manager of the Dutch Cupboard, was introduced as a guest by E. Donald Scott.

Ernest Simpson announced that all booths for the builders' show to be held March 16-17-18 in the pressroom of the Hotel Gettysburg have been sold. The prizes are on display in the window of the Fiberglass Awning Co., 118 Baltimore St.

Vice President Ralph E. Will presided over the 26 members present. Edmund W. Thomas Jr., who is affiliated with New England Mutual Life Insurance Company, showed a film on the various ways the company invests money for building projects. The film was titled: "Assignment: America."

FILES MOTION FOR DISMISSAL OF SNYDER SUIT

SCRANTON, Pa. (AP)—One of 22 defendants named in a \$2 million lawsuit written by an Adams County steelfitter has filed a motion to dismiss the suit in U.S. District Court here.

Alton W. Snyder of Fairfield P. 2, wrote the 86-paragraph suit without benefit of counsel.

It dealt with his troubles in buying a farm, which was subsequently destroyed by fire, the loss of his government job and a hassle with the state Welfare Department.

Atty. Edward W. McTague, one of the defendants, recently asked the federal court to dismiss the action.

CLAIM NOT STATED

McTague said Snyder's suit fails to state a claim upon which relief can be granted, fails to set forth the basis of federal jurisdiction and is defective through insufficiency of process.

The suit filed by Snyder and his wife claims that they and their children were "deprived of property, liberty and the general pursuit of happiness" by the defendants who "have in some manner, doublecrossed, or did acts against"

SCOUTERS TO MEET

The Black Walnut Boy Scout District Committee will meet this evening at 8 o'clock at the engine house, Chairman Charles E. Ritter has announced. The new projector donated by The Exchange Club will be used in presenting the film "Investment In Tomorrow."

February Was Snowiest In 35 Years And Coldest Since '34

The snowiest February in Gettysburg in 35 years went into the record books Tuesday after receiving almost three times its normal amount of snow and seeing the coldest February temperatures here since 1934.

The mild weather in the latter part of the month sent average temperatures for the 28-day period a little above normal despite a record 7 below zero on Groundhog Day, February 2.

The 22.7 inches of snow measured here last month came within 1.1 inches of equalling the all-time winter record for snowfall set in 1918. It was one of the five snowiest months of February here in 57 years of local weather records. The February record of 31.2 inches was set in 1908 and never has been topped.

FIRST REAL BREAK

Through the years, the average February snowfall has been a shade over eight inches.

February brought this area the first real relief from steady frigid weather that started early in December. That month was the coldest December in 43 years and the snowiest since 1925. Then January came along with 23 inches of snow, three times its normal amount, and the coldest weather in any January here in 13 years.

Average temperature last month was 33.36 degrees and that is 1.7 degrees above normal. Temperatures climbed into the 60's four times late in the month offsetting the cold snap early last month that saw two days of below-zero weather on February 2 and 3.

SNOW DISAPPEARED

Snow and rain for the month totaled 3.27 inches, most of it in the form of snow. The total is 0.7 inches above normal. The two-month accumulation of precipitation is 5.23 inches which is 0.43 inches short of normal.

There were only six days last month in which the mercury failed to get above the 32-degree mark. The high for the month was 67 degrees last Friday afternoon. The mild weather of the last week wiped out the last traces of snow that at some times last month had accumulated close to two feet on the ground.

The average daily high was 41.89 degrees while the daily low readings averaged 24.89 degrees. There were nine days in the month in which the temperatures were above freezing around the clock.

ROOF CAVES IN

A fireball between the feed mill and the flour mill helped firemen in their efforts to keep the blaze from reaching the flour mill, but the feed mill and the office were destroyed. The roof of the mill collapsed. The concrete walls of the 30-foot-high building were cracked from the intense heat.

East Berlin summoned New Oxford, Abbotstown and Hampton firemen through the quick call system. Water was obtained from Conewago Creek. After the blaze had been brought under control East Berlin firemen continued to pour water on the debris until 8 o'clock this morning.

"Lincoln Ave. Street Repair Up To State" Winebrenner

The borough highway crew is doing its level best to patch up damaged streets following the disastrous snowstorms and cold weather of recent weeks, but is not responsible for state-maintained streets, LeRoy H. Winebrenner told The Gettysburg Times this morning.

"W. Lincoln Ave. is in a deplorable condition, full of holes and erupted sections of pavement, but this is a state-maintained street and is not the responsibility of the borough of Gettysburg," Winebrenner said.

"I have called the state Highway Department in Harrisburg and a district engineer will come to Gettysburg Thursday to inspect the damage," Winebrenner added.

Damage to borough streets is considerable in some areas but in others it is not, the borough engineer said. He drove a Times reporter over several streets to show where little damage had been done to the street by the cold weather and over other areas to show where borough crews had filled and patched using hot materials.

NEED REBUILDING

"The difficulty on W. Lincoln Ave. and on College Ave.," Winebrenner explained, "is that those streets do not have the proper base. They are practically fill-in jobs and cannot stand the pressure of cold and heavy snows. Those streets should be rebuilt from the base up," he said.

Winebrenner explained that E. Lincoln Ave., which was resurfaced by the state last summer, is practically untouched although it underwent the same severe winter treatment. He also pointed to N. Stratton St., which has little or no damage. "These streets have good bases and can withstand the pressure," he said.

"I don't believe our street damage will be as severe as some people believe. We have had some damage and insofar as weather permits we are repairing areas as quickly as we can. We have enough hot material to take care of the work we can do today. The other damage will be repaired as soon as we can get to it," Winebrenner said.

GIRL SCOUTS' LEADERS TO BE TRAINED

Plans for an outdoor training course for adult leaders who will take Girl Scout groups camping this summer were outlined Tuesday evening at a meeting of the training committee of the Adams County Girl Scout Council at the Girl Scout office in the First National Bank building.

The course, held to qualify adults as campers, is designed to provide more camping experience for the Girl Scouts. Each time the Girl Scouts go camping they must be accompanied by at least one adult who had received training in camping.

LAUD COUNTY FOR AGED CARE

The Adams County commissioners today received a letter from the state commending them on policies recently approved for the care of the aged.

The letter was signed by Elias S. Cohen, commissioner of the Office for the Aging of the state Department of Public Welfare.

Adoption of a new plan of procedures for county home admission took place some months ago. The plan anticipated future care of some individuals in foster homes, or in their own homes where such care could effectively provide for their needs, with the county home eventually serving more as a convalescent home for those unable to be cared for otherwise. When the plan was adopted the county commissioners said that with increased growth of the county it will be cheaper for the county and better for the individuals to live in foster homes or have homemaker care rather than build a larger county home as time shows its need.

The report of Wayne Cluck, clerk of the works for the county home, showed that "if work progresses at the present rate the new home will be ready for furnishings in two weeks." Painting is scheduled to be completed in a week, according to Cluck's report to the commissioners. The report included the placing of asphalt tile in the dining room, recreation room, chapel and some bedrooms. The East End Planning Mill has started assembling closets and dressers in the bedrooms.

59-Year-Old Handyman Who Deserted Family 15 Years Ago Admits Assaulting And Beating To Death Little Girl, 4

NEW YORK (AP) — An athen-faced and dejected Fred J. Thompson — guarded by swarms of police and subjected to jeering abuse from people on the streets — was held without bail today in the wanton sex slaying of 4-year-old Edith Kiecorius.

By HENRIETTA LEITH

NEW YORK (AP) — Fred J. Thompson, 59, the admitted sex-killer of Edith (Googie) Kiecorius, was behind bars today, meekly waiting for justice to take its course.

"I'll probably get life or the electric chair," detectives quoted the toothless, British-born delinquent as saying after his capture on a chicken farm near Toms River, N. J., Tuesday.

"It was the worst crime I have ever known—and I committed it," he said.

The battered body of the 4-year-old blonde girl was found Sunday in the dingy, \$8-a-week room Thompson had rented in the Chelsea district of Manhattan.

The nature of the crime and the public indignation which followed its discovery precipitated one of the biggest manhunts in the city's history.

The girl's widowed mother, near hysteria at times, said Thompson should "be destroyed like a mad animal. That way other children will be saved. They should make him suffer like the girl."

HEART-RENDING PICTURE

The beer-swilling itinerant's confession, merged with details turned up by police during their search, provided a heart-rending picture of the tragedy on Washington's Birthday.

In Brooklyn, Edith Kiecorius decided to spend the holiday with her brother, over the river in Manhattan. She took along her mother and her little girl, called "Googie."

Little Edith's journey to Manhattan was uneventful. Her mother dressed her in a green dress and purple snowsuit. The gay, pretty 4-year-old was wearing tiny gold rings in her old-country-style pierced ears. She and her mother and grandmother Frances Duclet took the long subway ride. They arrived at the home of Uncle Manuel Duclet, on Eighth Avenue near 18th Street, in the deteriorating Chelsea neighborhood.

(Just five days before, a slight, seedy but well-spoken man applied for the vacancy at a rooming house at 307 West 20th Street, less than three blocks from Uncle Manuel's home. The landlady was away, and her friend, a barmaid, showed him the room. It was small and plain, with just a bed, dresser and chair. The man, who said he was Fred Thompson, paid the barmaid \$8 for a week's rent.)

In the afternoon little Edith put on her purple snowsuit and went

Defense Department Urges Hike In Defense Strength; U.S. Peace Corps Is Created

By MARVIN L. ARROWSMITH

WASHINGTON (AP)—President Kennedy said today the Defense Department has recommended an increase in conventional weapons strength.

The President also told a news conference that the administration has reached no decision on whether there should be any step in nuclear weapons capability.

As to the Pentagon recommendation for an increase in conventional weapons power, Kennedy said he will take about two weeks before making any judgment on it.

ADENAUER COMING

At the start of the conference, Kennedy made these announcements before opening the session to questions:

1. For the first time since last July, there was no net outflow of gold from the United States this week.

Kennedy commented that this signifies that "confidence in the dollar throughout the world is being restored."

2. West Germany's Chancellor Konrad Adenauer will visit Washington April 12-13 at Kennedy's invitation. The President said he is looking forward to meeting Adenauer and having an exchange of views.

ASKS RANK RESTORATION

3. The President announced he is urging Congress to restore to former President Dwight D. Eisenhower the rank of five-star general. Kennedy called this appropriate because of Eisenhower's outstanding military record and his long public service to the country in peace and war.

Eisenhower resigned from the rank in order to run for president in 1952.

4. Kennedy said he had today signed an executive order creating a Peace Corps of Young Americans who will serve abroad in providing aid to underdeveloped nations. The corps will operate at first on a pilot basis.

More Tourists As Weather Improves

A total of 17,765 visited the Gettysburg Battlefield during last month, "most of them during the last two weeks," Ranger John Rogers reported today.

The visitors included 16,909 by car, 746 who traveled in 18 buses and 110 who walked over the field. Rogers said during "the first half of the month when snow was on the ground there was almost no visitation to the field. In fact on some days they couldn't visit very easily. But when the weather cleared there was a flood of visitors."

RUSSELL HAS DENIED STORY ON ABDUCTION

ATLANTIC CITY, N. J. (AP)—Robert Russell, the state's star witness in the impending murder trial of three persons charged with the murder of Vincent J. Blaney—who was himself a state's witness in a robbery trial—now says he was not abducted from jail, but walked out on his own.

Russell vanished Friday night from the Absecon City Jail and was found three hours later in Northfield, about seven miles away. He told the Atlantic County prosecutor's office that he had been abducted by three men who apparently intended to kill him.

Prosecutor Augustine A. Repetto told Tuesday that under further questioning Russell "agreed that he had gone out of the jail under his own power and was not abducted."

TO "RE-EVALUATE"

Repetto told a news conference that the admission means that Russell's position as a witness in the Blaney case must "require some re-evaluation."

But Repetto refused to say whether he now has doubts about the Russell story of the killing.

The 25-year-old Russell claims he was present last Aug. 3 when Blaney, slated to be a prosecution witness in a purported half-million dollar Pottsville, Pa., burglary, was slain.

THREE INDICTED

After Russell testified before the county grand jury last week, three persons were indicted for murder in the Blaney death.

They are Lillian Reis, 32, a Philadelphia night club owner; John Berkery, 27, of Haddon Township, and John Joseph Dillon, 25, a Philadelphia now being held in San Diego, Calif., on a burglary charge.

Russell related that three men kidnapped him from the jail and took him out in a boat in Scull Bay. He said he escaped by rolling out of the boat and wading ashore in shallow water under gunfire.

Mrs. Ivan Stoner Dies On Tuesday

Mrs. Edith Mae Stoner, 72, widow of Ivan P. Stoner, died at the home of her son-in-law and daughter, Mr. and Mrs. Frank Williams, R. 3, Tuesday at 5 p.m. She had resided there 13 years.

The deceased was born in Franklin County, a daughter of the late John W. and Margaret (Staley) Naugle. Her husband died January 13, 1948. She was a member of St. James Lutheran Church.

Surviving are five daughters, Mrs. William Jeffcoat, Claretton; Mrs. Frank Greenwald, R. 3; Mrs. Melvin Richardson, R. 6; Mrs. Mabel Williams, R. 5, and Mrs. Frank Williams, with whom she resided; 33 grandchildren; 20 great-grandchildren; two brothers, John Naugle, Mt. Alto, and Russell Naugle, Pittsburgh, and one sister, Mrs. Mollie Bumbaugh, Mt. Alto.

Funeral services Friday at 10 a.m. at the Bender Funeral Home conducted by her pastor, the Rev. Dr. Paul L. Reaser, and a former pastor, the Rev. Dr. Ralph Gresh, Leacock. Interment in the Fairfield Union Cemetery. Friends may call at the funeral home Thursday evening from 7 to 9 o'clock.

Baptist Men See Church Work Film

A movie entitled "Dedicated Men" was shown at a meeting of the Adams County Baptist Men's Fellowship Monday evening in the Grace Baptist Church near Fairfield.

The film showed "what Christian men dedicated to church work can do to rebuild their church and community by faith and works." Vice president Jay Nye was in charge. The purpose of the meeting was to "emphasize the cultivation of worship in the home as a means of spiritual nature in the development of Christian character."

Refreshments were served by the host church. The next meeting will be held at the First Baptist Church March 27 at 7:30 p.m. The theme will be "This One Thing I Do for My Friends."

IS DEFENDING GOV. LAWRENCE

HARRISBURG (AP)—Gov. Lawrence's travels were defended in the House Tuesday as necessary to inform the people about state government.

Rep. Stephen McCann, the Democratic floor leader, said an attack by the Republican floor leader on the governor's trips was "ill-considered, most notable for its misinformation."

"No other governor," McCann said, in a prepared statement entered in the record of Tuesday's proceedings, "in the history of this Commonwealth has worked harder, spent longer days, met with more of the people he is representing or visited more of Pennsylvania's communities."

Rep. Willard F. Agnew Jr., the GOP leader, had attacked Lawrence Monday night in a floor speech as a "do-nothing governor," who failed to give leadership to the state. He further announced that the GOP was going to keep a log of Lawrence's comings and goings, starting today.

Lawrence left Tuesday night for Philadelphia for a dinner of the Pennsylvania Manufacturers' Association. He was to be in Washington today to testify before a congressional committee, after which he was going to Florida with Mrs. Lawrence for an approximately two-week vacation.

KILLS MAN AND IS THEN FREED

UNIONTOWN, Pa. (AP)—Dallas Lancaster, 54, of nearby Brownsville, pleaded guilty to murder Tuesday, but he's a free man today.

Lancaster was charged with striking Joseph Kopnicki, 74, of West Brownsville during a tavern argument in Brownsville last Sept. 2. Kopnicki died in a Pittsburgh hospital two hours later.

After Lancaster pleaded guilty to a general charge of murder, Judge Eustace H. Bane of Fayette County Court began hearing testimony from the prosecution to determine the degree of guilt. It was a nonjury trial.

The judge listened for three hours, then asked the defense to enter a motion for a demurrer because of lack of sufficient evidence. This was done and Lancaster was freed.

Judge Bane explained that despite the guilty plea, the state still had to show that Lancaster had attacked Kopnicki. This the state failed to do, Bane said.

WASHINGTON (AP)—Two Navy icebreakers and 544 men aboard are locked in a huge anti-ice pack and are slowly drifting westward in the Bellinghousen Sea.

The Defense Department, reporting this Tuesday, said the ships, the Glacier and the Staten Island, appear in no immediate danger. They have been locked in the ice pack for a week.

A wind shift relieving the pressure of the ice would allow the icebreakers to free themselves, the Navy said.

VAN NUYS, Calif. (AP)—A boy shot down his stepmother and father in a garage ambush Tuesday night because "they were too strict with me," police report.

Harry Wiggins, 42, and his wife, Florence, 36, were taken to a hospital in fair condition. He was hit twice and his wife five times.

Terry Lynn Wiggins, 15, was booked on suspicion of assault to commit murder, delinquent.

WILL SPEAK IN LOCAL CHURCH

REV. DR. GROSSE

Special services will be held in the Community Chapel Church of the Nazarene, Wainwright Ave., beginning Thursday and continuing through Sunday night. Services will be held nightly at 7:45 o'clock and on Sunday 10:45 a.m. and 7:45 p.m. The guests speaker will be the Rev. Dr. E. E. Grosse, district superintendent of the Washington District of the Nazarene Church.

Dr. Grosse was a pastor for 25 years, his last being the Washington, D. C., First Church of the Nazarene, after which he was elected district superintendent, a position he has held for the last 12 years. He is also secretary of the board of trustees of Eastern Nazarene College, Quincy, Mass., and treasurer of the board of trustees of Nazarene Theological Seminary, Kansas City, Mo.

There will be special music at each service. The public is invited.

New Oxford FFA Unit Is 'Superior'

The Conewago chapter of Future Farmers of America at New Oxford today announced receipt of a national superior chapter emblem award. The award is presented to FFA chapters which have met all or a high percentage of the minimum standards established for the awards, and which have conducted an outstanding program of work.

Of the 21 standards used to rate a chapter a minimum of 17 must be met. The New Oxford chapter received a rating on 19 of the 21 standards. Another requirement to meet was to submit a copy of the chapter's program of work for a full year. It was also necessary to receive the recommendation of the Pennsylvania State Association.

During 1960, the chapter was led by Daniel Boose as president for five months and his brother, Richard Boose, was president for seven months. Charles A. Smith, vocational agriculture teacher, was senior advisor and Strayer Yake the junior advisor for the club.

In previous years the chapter has received a standard chapter award but this is the first time the Conewago chapter has received a superior rating, Smith said.

FORMER SOLON MAY RUN AGAIN

HARRISBURG (AP)—Former Congressman John C. Kunkel, wealthy Harrisburg banker and farmer, emerged today as the leading choice for the Republican nomination for the vacant 16th District seat.

The vacancy developed during the past weekend with the death of six-term Republican Walter M. Mumma of Harrisburg.

The Harrisburg Evening News said today that Kunkel had received the blessing of Republican leader M. Harvey Taylor, member of the state Senate from Dauphin County.

The 62-year-old Kunkel served in Congress for six terms, from 1939 to 1951.

The Republican nominating convention for the special election probably will be held in Harrisburg March 11, with 102 delegates from Dauphin, Lebanon, Perry and Juniata counties.

WASHINGTON (AP)—The FBI says major crime in the United States jumped 12 per cent last year over the record total of 1959.

The report issued Tuesday showed no decline in any crime category. Robberies rose 18 per cent; burglaries, 15 per cent; larcenies 11 per cent; auto thefts, 7 per cent; murder, 4 per cent; rape, 4 per cent; and aggravated assaults, 3 per cent.

ARENDTSVILLE SETS RECORD

The Arendtsville weather station came up with a new snow record at the end of February with a total of 63.7 inches so far this winter. Dr. Frank N. Hewetson, observer there, reported today. The previous high for that station was 40.5 inches measured in the winter of 1917-1918.

As in the case of Gettysburg, Arendtsville's average temperatures last month were a little above normal in spite of some very chilly mornings early in the month. The month's average temperature was 31.6 degrees, which is 0.9 degrees above normal but 0.9 degrees below February of last year. The daily high readings averaged 41.1 degrees and the daily lows averaged 22.1 degrees.

The warmest day was the 27th when the high was 65 degrees and the lowest reading was 13 below zero on February 2. The following day it was eight below.

Precipitation totaled 3.45 inches and brought the two-month accumulation for this year to 6.34 inches. The February figure is 0.89 inch above normal and the two-month figure is 0.78 inch above normal.

February's snow totaled 22.3 inches and followed 17 inches in December and 24.4 inches in January. Hours of sunshine measured last month came to 153 hours and 42 minutes, or 51.4 per cent of the total available.

DEATHS

Lowell M. Sowers
Lowell Martin Sowers, 60, a member of the faculty of Frostburg State Teachers College, and a native of Clear Spring, Frederick County, Md., died Monday at 9 a.m. in Memorial Hospital, Cumberland. He resided in Lonaconing.

Mr. Sowers was born November 13, 1900, a son of the late Charles F. and Ann Elizabeth (Heller) Sowers of Clear Spring. He earned his Bachelor of Science degree at Gettysburg College and his Master of Arts degree at the University of Maryland and studied at other institutions to earn credits beyond his master's degree.

Funeral services were held at the First Presbyterian Church in Lonaconing this morning with the Revs. Chalmers Goshorn and John McClain officiating.

Graveside services were held at St. Paul's Church Cemetery along the Western Pike this afternoon.

Rev. M. S. Sharp
The Rev. M. S. Sharp, 83, died Monday in the Chambersburg Hospital after an illness of a month. He had resided in Chambersburg for the past three years with his son-in-law and daughter, Mr. and Mrs. Sheldon Grove, 541 Stouffer Ave., Chambersburg.

Mr. Sharp retired as a Lutheran minister in August of 1949. His first pastorate was at St. Paul's Lutheran Church, Funkstown, Md. Other pastorates included St. Matthew's Lutheran Church, Martinsburg, Pa.; the Enola Zion Lutheran Church for 23 years and the Mt. Union Lutheran Church for 16 years. He was a graduate of the Gettysburg Theological Seminary.

In 1902 he married the former Lillian Pearl Rhoades at Gettysburg.

The Rev. Raymond A. May officiated at funeral services this afternoon at the Clark Funeral Home, Mt. Union. Burial was in Enola Cemetery.

FOUR BULLET GRAPPLERS IN MAC TOURNEY

Former heavyweight champion, Mike Pacilio, Merrick, N. Y., will lead a group of four Gettysburg wrestlers to the annual Middle Atlantic Conference matches at Moravian College Friday and Saturday.

The Bullet senior, who won the MAC crown two years ago as a sophomore, was eliminated in the first round of last season's title matches because of a shoulder injury. The injury has hampered his activities through most of the current season, but he is now in top physical condition. Pacilio wrestled only five times this year and has a clean slate. He won two matches via pins and captured the remaining three by decisions.

Also representing Gettysburg will be 147-pound Bob Girvan, Leona, N. J.; Joe Wang, Philadelphia, in the 167-pound class, and 177-pounder John Young, Shamokin. Girvan is 1-4 on the season and Wang has a 0-2 record. Young, a Junior who wrestles in the 167-pound class, will move up to the 177 event. He has a 4-4 record, pinning one opponent and losing a pair via pins.

HOFSTRA 6TH, MOUNT 9TH IN AP CAGE POLL

By THE ASSOCIATED PRESS
Prairie View of Texas held a slim lead over Tennessee State today for No. 1 place in The Associated Press weekly small college basketball poll.

A fresh show of strength by Tennessee State pushed the Nashville team to within seven points of the pace-setting Texans. The two have been battling for small college honors throughout the campaign.

Prairie View registered 95 points in the poll of a special panel of sports writers and broadcasters, compared with 88 for the Tennesseans. Points are based on 10 for a first place vote, 9 for second, etc. Prairie View led Tennessee State by 26 points a week ago.

The top ten teams with first place votes and season records through Monday in parentheses:

1. Prairie View (7) (22-1) 95
2. Tennessee State (2) (24-4) 88
3. Mississippi South (1) (22-3) 66

Kennedy said, but he also is asking Congress to enact legislation which would make the corps a permanent operation.

PLANS EMPLOYMENT ACTION
In response to questions, Kennedy said he shortly hopes to issue an executive order designed to "strengthen employment opportunities in and out of government."

He made that announcement when asked how he feels about a recommendation by the Civil Rights Commission that federal funds be withheld from public colleges and universities that discriminate on grounds of race, religion or national origin.

Kennedy said the new administration's efforts in the civil rights field will be concentrated first in the field of employment. He indicated action may be taken later in the areas of education and housing.

"WHERE IS PEACE"

The world is always striving . . . to gain a lasting peace . . . and, with each succeeding day . . . the race seems to increase . . . and yet we seldom seem to make . . . a single stride ahead . . . and often we are most inclined . . . to go backward instead . . . where, then, is peace? I ask myself . . . why is it hard to find . . . and why does it hide away . . . from struggling mankind . . . oh there are many answers . . . but I've arrived at this . . . as long as there are differences . . . we'll never feel its kiss . . . only when mankind joins hands . . . going forth with God . . . will there be a lasting peace . . . and smoother roads to tread.

He also explained the process by which the apples are washed, graded and, finally, packed and weighed. The group was then conducted through the modern package and

Itinerant Carnival Worker Admits Disposing Of His 4 Missing Children; Find 5th

PETERSBURG, Va. (AP)—Virginia State Police said today itinerant carnival worker Kenneth E. Dudley has admitted disposing of the bodies of his four missing children.

Police said Dudley, 47, and his wife Irene, 44, have told "conflicting stories" as to where the bodies of the four children were disposed.

The Dudleys are being held on charges of causing the death of a daughter, Carol Ann, 7, by malnutrition, exposure and neglect in Virginia. Her body was found Feb. 9 in woods in southern Virginia, wrapped in a tattered blanket.

The Petersburg Progress-Index said today a grave of an unidentified little girl in Prescott, Ariz., may lead investigators to the first of the four missing children.

The newspaper said the Arizona grave may contain the body of 4-year-old Debbie Dudley.

The body of the unidentified girl was found in a shallow grave just partly covered in the Arizona desert south of Prescott last July 31 by a Las Vegas, Nev., school teacher, Russell Allen.

State police investigator E. M. Lloyd, assigned to the Dudley case, told the Progress-Index "the little girl in the Arizona grave may just be the break we are looking for. Thus far, we have been unable to locate any of the bodies of the children."

Another child, Christene, 2½, was with the Dudleys when they were arrested in North Carolina Feb. 10. Two married daughters of the Dudleys live in a Syracuse, N.Y., suburb. Ten children are known to have been born to the Dudleys.

Police have conducted a widespread search for the four missing children, identified as Norman, now 12; Charles, 10; Claude, 8; and Debbie, 4.

The Progress-Index said Dudley is reported to have told investigators in an oral statement the children died one by one from various ailments and illness as the itinerant carnival worker and his family traveled from coast to coast.

Dudley is in the state penitentiary at Richmond where he was transferred Feb. 19 after a reported suicide attempt in the jail at Lawrenceville, Va., where he and his wife face the charges. His wife is being held in Lawrenceville.

GIRL SCOUTS'

(Continued From Page 1)

Mrs. Carroll Arter will be director for the training course to be held in the form of two sessions, March 23 and April 11, at the Girl Scout office here and a weekend at Camp Happy Valley April 15 and 16.

SPECIALLY TRAINED

The sessions at the Girl Scout office will begin at 7:30 o'clock each night. The weekend camp will begin at 10 o'clock on Saturday morning, April 15, and close at 3 o'clock on Sunday afternoon, April 16.

Two courses will be conducted in the outdoor training session. Mrs. Harry Baker will direct a basic camping program for those without previous experience. The course will include cooking in the out-of-doors, fire building, safety, the making of bedrolls, proper dress, care of equipment, etc.

An advanced or "primitive camping" class will be conducted for experienced campers under direction of Mrs. John Hauser. Those taking the advanced course will learn how to make the minimum use of ready-made facilities and equipment and the maximum use of nature resources. Mrs. Baker and Mrs. Hauser have both received training at Camp Edith Macy, a national Girl Scout training center at Pleasantville, N. Y.

Paul Glenn, game protector, will serve as program consultant. One of the features of the advanced course will be the instruction in storm lashing. There will be no cost for the training, but those participating will share food costs for the weekend at the camp, the committee decided.

Testimony had been given that the floor was cleaned by microsheen, but no testimony was given as to whether it had been cleaned immediately prior to the fall or at any particular time.

HAD LOST BEFORE

Attorneys for Mrs. Finney indicated they will appeal the decision of the court.

The sudden ending of the trial Tuesday marked the second time Mrs. Finney has lost her suit against the G. C. Murphy Co. in court here. In a prior trial, a jury found that the Murphy company was not at fault and thus not liable for damages. An appeal was made and as a result the second trial was directed.

iliary tea with Mrs. Mary Eberhart, chairman.

A letter was read from state Superintendent of Public Instruction Charles H. Boehm to Mrs. Frederic Griest appointing her to a state-wide planning committee on adult education.

The membership voted club participation in the "Table Fashions Tea" to be held at the Country Club on April 14, sponsored by the Prince of Peace Episcopal Church. For this event Mrs. Griest was named to head the following committee: Mrs. Kenneth Dick, Mrs. Hartzell, Mrs. George Eberhart and Mrs. Samuel Higginbotham.

Other dates announced included the monthly dinner to be held March 14 at the Peace Light Inn to have as its theme "A Night of TV" with the public relations committee arranging for the meal and the program. The committee consists of Mrs. Henry Bream, chairman; Mrs. George Eberhart, Miss Martha Stallsmith, Mrs. Carol Ann Zinn, Mrs. Elizabeth Hennig and Mrs. Griest.

A bus trip to Rochester, N. Y., is being arranged for club members expecting to attend the north regional conference there on May 12, 13 and 14. Those desiring to attend should contact President Burton at once. The annual neighborhood installation dinner is scheduled for June 13 to be held locally with the Gettysburg Club as hostess.

A social hour followed the business meeting with Mrs. Alice Lower, Mrs. Dick and Mrs. Donald Myers serving as hostesses.

Wedding

MRS. GILCREASE

Miss Beverly Eileen Martin, daughter of Mrs. Kathryn M. Wiley, Fairfield R. 2, became the bride of A/1C James Leonard Gilcrease, March AFB, Calif., son of Mrs. Dorothy E. Gilcrease, Hanford, Calif., on February 14. The double-ring ceremony was performed by Judge D. L. Schroeder, Rubidoux, Calif.

Miss Donna K. Beaver, March AFB, was the maid of honor. The best man was A/1C Christopher M. Quick. The bride wore a tan sheath dress and white accessories.

The bride is a 1958 graduate of Fairfield High School and joined the Air Force in January 1959. She holds the rank of A/2C and works as chief clerk in the 22d Food Service Squadron at March AFB, Calif. The couple will reside at 21393 Daceca St., Edgemont, Riverside, Calif.

Orrtanna

MRS. LUTHER WETZEL

ORRTANNA — The Women's Society of World Service of the Mt. Carmel EUB Church met for their monthly meeting recently in the church hall. Mrs. Dale Wetzel, the president, presided and offered the opening prayer. The hymn "Keep on Praying," followed after which the secretary's report was given by Mrs. George Haines and approved. Reports of committees were also given and approved.

It was decided to have the study class meeting for March at the same place as had been announced for February but cancelled due to inclement weather. Mrs. Dale Wetzel will be hostess at her home at Cashtown and Mrs. Claire Rebert, leader.

Lessons on February and March will be discussed at this meeting March 7 at 7:30 p.m. Election of officers for the year followed. The officers are: President, Mrs. Dale Wetzel; vice president, Mrs. Paul Wetzel; secretary, Mrs. George Haines; and treasurer, Mrs. Clyde Metz; secretary of Spiritual Life, Mrs. Gotwalt; secretary of Missionary Education for Youth, Mrs. Dale Wetzel; secretary of Missionary Education for Children, Mrs. Paul Wetzel; chairman of local missionary Education for Youth, Education for Children, Mrs. Paul Wetzel; chairman of local church activities, Mrs. Oliver Social Relations, Mrs. Charles Shindedecker; secretary of Missions, Mrs. Ruth Shindedecker and Mrs. Roy Chapman.

The leader for the worship program was Mrs. Paul Wetzel, who read the scripture and offered prayer after which the hymn, "The Church's One Foundation," was sung. The subject was "Into All the World" and "Why Do We Go Forth?" A symbolic drama, "God's Purpose Is Our Destiny," was carried out by the following characters: Voice from the dark, Mrs. Paul Wetzel; Half and Half, Mrs. J. E. Spence; poet, Mrs. Clyde Metz; archivist, Mrs. Dale Wetzel; destiny, Mrs. Claire Rebert; and time, Mrs. George Haines. The hymn, "Are Ye Able?" followed.

Mrs. John Baker and Mrs. James Kump reported Christmas greetings from missionaries in Africa. Mrs. J. E. Spence and Mrs. Clyde Metz had previously reported greetings from their prayer partners in foreign countries.

CWV's Auxiliary Plans Activities

Plans to present a ham dinner for Easter and to roast peanuts were outlined Tuesday evening at a meeting of the Auxiliary of the Catholic War Veterans at the post home in Bonneauville.

A contest will be held with a ham dinner for Easter as the award. On Saturday night members are asked to be at the post home to prepare peanuts for sale. The president, Mrs. Helen Hawn, presided at the meeting. The next session of the auxiliary will be held March 28.

ADDRESSES CLUB

William C. Darrah, of the Gettysburg College faculty, was the speaker Tuesday evening at the dinner of the Gettysburg-Adams County Torch Club in Trinity United Church of Christ, S. Stratton St. He outlined the life of Joseph Marie Jacquard, a 19th century Frenchman who invented a weaving machine capable of making intricate designs by use of punched cards. The same principal, Darrah said, is used today in business machines using punched cards for their operation. He traced development of the punched card system from the first use by Jacquard to the present day use.

The meeting closed with silent prayer. A social hour followed with Mrs. John Baker as hostess.

The next meeting will be held Monday evening, March 13, at 7:30 with Mrs. Dale Wetzel, leader, and Miss Linda Carbaugh, hostess. Under the auspices of the W.S.W.S., Mrs. Luther Patterson will speak and show slides of Mexico and other foreign countries at 11 a.m. Sunday at the Mt. Carmel Church. A more detailed program will follow. Everyone is invited.

The monthly meeting of the Friendship Circle class of local Methodist Church was held recently with Mrs. Hazel McDaniel as hostess at her home. The meeting opened with scripture, the 53rd Psalm, and prayer by the president, Mrs. Guy Donaldson. The secretary's and treasurer's reports followed. The Bible study was on the 26th, 27th, 28th and 29th Chapters of Genesis, with the teacher, Mrs. Mary Hess serving as leader. Plans were made for a record hop to be held at the Cashtown Fire hall March 24 at 7:30 p.m. The class gave \$100 to the church for current expenses and donated \$75 toward the building fund. The guest book donated by the hostess was won by Mrs. Donaldson. A social hour and refreshments followed.

Today's Talk
THE HUMAN HUM
If, as they say, there is nothing ever lost in this world—what becomes of the human hum?
I walked into a great bank the other day. It occupied the entire floor of a building that covered most of a large city block. There were so many vice presidents they almost took upon themselves the numerosness of the clerks about them!
The whole place was as interesting as a great ant mound—indeed, it much resembled. Here and there were always flitting messengers with papers. In this particular bank, young girls. Callers sat at the various desks in attitudes of ease—some of them transacting business mounting into the hundreds of thousands of dollars. Millions of dollars were being played with from day to day.
Great mercantile houses in this particular city were thriving and sending their salesmen and buyers to the ends of the earth—because this bank held the means whereby they might breathe and live.
I could see jet planes, huge air and ocean liners, great acreages of land being planted and then mowed and reaped—that the business of this bank might go on, and the human hum of the voices about those desks and walls accomplish its task.
I walked over to one of the windows, and the towering skyscrapers told me that this human hum contributed to their story, too.
Even after I was driven away in my car, I thought of that human hum again and called to mind that even this car of mine owed its life to that hive of activity and exchange.
We are all a part of the human hum of this world—that melts our thoughts and deeds into something good and permanent.
How very wonderful is this realization!
Tomorrow Mr. Adams will talk on the subject: "Invisible Currents of Love"

Out Of The Past
From the Files of the Star and Sentinel and The Gettysburg Times
TWENTY-FIVE YEARS AGO
Will Abandon One CCC Camp On Field Here: One of Gettysburg's CCC camps on the battlefield will be abandoned April 1, James R. McConaghie, superintendent of the National Park, was informed in a telegram from the National Park Service, Washington, today.
Abandonment of one of the two camps here, and others throughout the country, is in line with the policy of the Emergency Conservation Work to decrease the number of camps in national, and state parks and state forests in the country, especially in the eastern states.
No Change In Adams Relief: Adams county was one of two counties in the state that reported no change in the number of cases on the state's direct relief rolls for the week ending February 22.
A report just released by the state emergency relief administration reveals that in that period five cases were opened and five closed. Of the number closed three were due to works program employment and two for other reasons.
Two From Town Are Honored By Lutheran Group: The seventeenth annual conference of the North Atlantic region of the Lutheran student-association closed here Sunday morning with the installation of newly elected officers in a summary session held at the college YMCA. Following that session the visiting students attended the regular morning worship at Christ Lutheran Church where they participated in a communion service.
The annual election of officers was held Saturday afternoon. Harold Dunkelberger, a senior at Gettysburg college, was named vice president of the regional association. Miss Ruth Waltemyer, daughter of Dr. and Mrs. William C. Waltemyer, Springs avenue, and coed at Gettysburg college, was named treasurer.
Chicago Loses One Hour For ever: Chicago — An hour of sleep lost — and never to be regained — was the only general effect noted with the change Sunday from Central to Eastern standard time. The advanced time became official for the city under the council ordinance at 2 a.m.
The new plan supercedes a daylight-saving time which annually went into effect here in April and terminated in October.
Plan Bridge On White Run: Plans are being made for the construction of a bridge over the west branch of White Run on the Low Dutch road, about a mile north of the Gettysburg-Lanover road.
Mt. Pleasant township supervisors are planning to have the construction of the bridge approved as a PWA project. No estimate of the cost of the undertaking has been made because the dimensions and the type of material to be used have not yet been determined. It was stated this morning by members of the that the structure will be built either of stone or concrete.

To have smoothed another's way,
Even by the smile you gave
Or the word you had to say,
This is being brave.
To have made another glad
He stood face to face with you
And your friendship once he had,

To have been in time of need
First to hurry to the gate,
First to do the kindly deed,
This is being great.
To have learned in selfish strife
Little satisfaction lies,
Serving is the joy of life,

HEARINGS ON AIR POLLUTION
HARRISBURG (AP)—The State Air Pollution Control Commission today scheduled its first public hearings on the control of pollution caused by opening burning of trade wastes, rubbish and garbage.
Director Victor H. Sussman of the State Health Department's Air Pollution Control Division, said open burning is the basis of most complaints his agency receives.
He cited as examples of open burning in salvage operations: auto body burning to remove paint and upholstery, and burning of insulation from copper wire.
Testimony developed at the hearings will be studied by regional air pollution associations, which later will present recommendations to the state commission. The commission findings, it was explained, could become the basis for possible rules and regulations.
The hearing dates:
March 13, Reading (9:30 a.m., Berks County Courthouse); March 14, Norristown (10 a.m., Montgomery County Courthouse); March 15, Wilkes-Barre (9 a.m., Luzerne County Courthouse); March 16, Williamsport (9 a.m., Lycoming County Courthouse); March 20, Washington (9:30 a.m., Central Labor Temple); March 21, Franklin (10 a.m., Venango County Courthouse); and March 22, Lewistown (9:30 a.m., Mifflin County Courthouse).
2 Townships File Reports For 1960
Fairfield residents paid \$20,751 in taxes during 1960, according to the annual report filed Tuesday with Clerk of the Courts Kenneth Johns by Collector J. Harry Kane. Kane's salary was listed at \$979.46. Residents paid \$4,578 borough taxes at a rate of 20 mills, with 174 taxables on real estate and 305 occupations or poll taxables.

READING TWP. REPORT FILED WITH CLERK
Reading Township borrowed \$3,000 in 1960, but also paid off the note, according to the annual report filed today with Clerk of the Courts Kenneth Johns by Auditors Hiram Thomas, Kermit R. Zeigler and L. E. Moul.
Local tax collections were \$12,137 while miscellaneous receipts were \$3,469. County aid was \$2,338 while state aid was \$13,654.
General government expenses were \$2,296, of which \$954 was for the secretary-treasurer's salary; \$255 for office expense; \$390 for street lights and \$329 for tax collection salaries. There were no expenses for protection to persons and property.
Highway expenses, which totaled \$11,828, included \$1,158 for snow removal; \$562 for repairs to tools and machinery; \$2,334 for road construction; \$1,079 for new tools and equipment; and \$5,887 for repairing and resurfacing of roads.
The state spent \$645 for snow removal; \$313 for tool and machinery repair; \$7,759 for road construction and \$5,214 for resurfacing of roads.
Miscellaneous expenditures totaled \$2,060, including \$972 for insurance and \$521 for social security taxes.
The township entered 1961 with a cash balance of \$253, compared to \$678 a year earlier, one mile of road was constructed during 1960, that on route 614. The township owns one grader, a snowplow for a truck; two 1953 Ford tractors and a 1958 Ford truck. They maintain 35.63 miles of earth roads and 6.67 miles of improved surface roads, plus six wooden and two concrete bridges.
The tax statement showed a real estate taxable valuation of \$724,572 at nine mills, with a levy of \$6,521. Per capita tax on 742 at \$5 was \$3,710 while there was a one per cent levy on real estate transfer tax of \$1,978.
They collected \$6,585 on real estate taxes and \$1,978 on per capita taxes. There was \$953 outstanding in real estate and \$1,017 delinquent in per capita taxes.
Glenn Jacobs is the chairman of the board of supervisors for 1961. Other members are Fred L. Leas, D. G. Deatrick and Glenn Hoffman. Assessor is Christian Weigard and tax collector is Harold D. Hartzell.

LENTEN PRAYER FOR TODAY
from Go With God
BY JIM BISHOP
In the Old Testament and the New are some of the most inspired prayers left as legacies to spiritually starving mankind. Some readers will be moved by one prayer, some by another. My personal selection for the greatest of these prayers from the Bible was used daily by my grandmother, Mary Murphy Bishop, and it consists of four words: "Thy Will Be Done."
In Christmas week of 1898, three of her children died of diphtheria. When the undertaker and his assistant carried the three white caskets into the house, grandma came into the room, looked down on each little face impassively, dropped to her knees and lifted her arms to heaven and said, "Thy Will Be Done."
She did not weep. As an afterthought, she said, "If You will grant me three more, I will name them after these, Margaret, Mary, and James." She was granted two more daughters, and she kept her promise. Then her husband died, and she was left with four children. She said the four words again.
It is possible that the prayer would not have meant as much to me had I not heard the story of courage which goes with it. However, I prefer to think that this is not true. Its complete resignation would have appealed to me in any case.
Hannah was the mother of the great Hebrew prophet Samuel. Her song is recalled in the "Magnificat." Hannah was one of the two wives of Elkanah who lived near Shiloh, and being without child she wept before the priest Eli at the temple in Shiloh and prayed.
"AND SHE" was in bitterness of soul, and prayed unto the Lord, and wept sore.
"And she vowed a vow, and said, O Lord of hosts, if Thou wilt indeed look on the affliction of Thine handmaid, and remember me, and not forget Thine handmaid, but will give unto Thine handmaid a man child, then I will give him unto the Lord all the days of his life, and there shall no razor come upon his head."
And the Lord remembered her . . . "she bare a son and called his name Samuel, saying, because I have asked him of the Lord."
See—1 Samuel 2:1-10.

SAYS STATE IS OUT OF SCHOOL SUBSIDY FUNDS
HARRISBURG (AP)—State officials say the Commonwealth does not have the money now for some \$60 million in school subsidies which normally would be distributed today for fourth class districts.
Dr. David Kurtzman, secretary of administration, and Budget Secretary David Baldwin, said Tuesday that the state expects to give out some \$32 million of the subsidies between March 10 and 15.
But, they said the balance due the 1,844 fourth class districts probably will not be paid until next month.
The two said some districts may be compelled to negotiate temporary loans to finance operations without the expected state payments.
BORROWING LIMITED
Kurtzman and Baldwin said the situation developed from the fact that borrowing was limited last fall on tax anticipation notes. This, they said, was because such borrowing is limited to 10 per cent at times when the legislature is in session.
The legislature was in session periodically throughout most of last year and did not finally adjourn until November. By that time, Kurtzman and Baldwin explained, it was too late to attempt the mechanics of borrowing additional money on tax anticipation notes.
At such times when the legislature is not in session, the borrowing is limited to one-third of anticipated revenues. The administration now has a bill in the legislature to increase the limit to one-fifth during legislative sessions.
The state treasury balance in the general fund, from which school subsidies are paid, totaled \$28 million as of Tuesday. The sum fluctuates from day to day.
Courts Kenneth Johns. Total expenses for the collections were \$1,876.
The report said \$3,558 was collected in township taxes at a rate of 4 mills on 421 real estate and 654 poll taxables; \$38,178 collected in school district taxes at 35 mills and \$15 per capita; \$7,612 in county taxes at 11 mills, and \$3,111 in institution district taxes at three and one-half mills.

KENNEDY IS ATTACKED BY CASTRO BLAST
By ROBERT BERRELLEZ
HAVANA (AP)—Fidel Castro's government launched an all-out attack on President Kennedy's administration Tuesday and charged anew the United States is plotting to overthrow the Cuban strongman.
The blistering attack was contained in a lengthy note sent Monday night to Latin-American foreign ministers. It was to be distributed later to the Organization of American States and the United Nations.
The Cuban note recalled the invasion charges Castro hurled at the Eisenhower administration a few months ago. Washington denounced those charges as a cover-up to divert the Cuban people's attention from economic troubles at home.
One Latin-American diplomat shrugged off the latest Cuban note as "the same old story"—this time directed at the Kennedy administration.
Foreign Minister Raul Roa charged the United States with plotting a two-fold plan to bring down the Castro regime.
The first phase would be an attempt to overthrow Castro before the conference of Western Hemisphere foreign ministers in Quito May 24.
If that fails an alternative plan would create conditions for indirect military aggression masterminded by the Pentagon and the Central Intelligence Agency. This would be masked by a declaration of war against Cuba by Guatemala, Nicaragua or Peru that would permit the setting up of a beachhead on Cuban soil. An artificial provisional government then would be set up in Cuba and probably receive direct military aid.
The Cuban note charged the "political architects" of the plot were Adolf A. Berle Jr., head of Kennedy's special inter-department task force to Latin America; Thomas Mann, assistant secretary of state for inter-American affairs, and Mann's deputy Arturo Morales Carrion of Puerto Rico.

LONDON (AP)—A compromise has brought an end to the fishing war between Britain and Iceland. Britain agreed to accept the 12-mile fishing limit around the island nation but British trawlers will be allowed to fish six miles offshore for the next three years. The agreement, announced Monday night, must be ratified by parliaments of both nations.

Bullets Whip Diplomats For 18th Win; Play At Muhlenberg On Thursday

Two more records fell by the wayside as the flying Gettysburg College Bullets dumped Franklin and Marshall 89-74 Tuesday evening in Lancaster before a large crowd.

The Bullets, in winning their 18th game of the season, racked up the highest number of victories in one campaign. The old mark was 17 wins in 1939 when Gettysburg sailed through the season with a 17-2 slate. Ron Warner, Gettysburg All-East and All-State candidate, rammed through 30 points and thus broke his own record for the most points scored in one season by an individual. Warner now has 601 points and the last year scored an even 600. The York native still has one game remaining this year.

FITZKEE GETS 23

Bill Fitzkee, Bullet senior center, set a new mark in his own record books. He dunked nine of 12 shots from the field and five for eight from the foul line to register 23 points, a new career high for him.

Warner was the game's leading scorer with 30 tallies on 10 for 18 from the field and 10 for 15 from the foul line. Bob Baron paced the Diplomats with 26 tallies while Bill Gray netted 15.

Franklin and Marshall put up a tough battle and kept the Bullets on their toes all evening. After gaining a 9-4 lead in the first few minutes of the game, Gettysburg felt the home team's blow. Don Pappas landed a set and lay-up and Baron followed with a lay-up and foul shot to put their team ahead 11-9. Bill Hemming and Bruce Simpson knotted the count with free throws, but it was a see-saw battle of a matter of only two points until the 5:30 mark. At this stage of the game the Bullets tied the score again at 23-23 and were never behind thereafter.

Fitzkee put Gettysburg ahead 25-23 on a hook shot followed by George Burnett's and Warner's jump shots. Gettysburg then coasted to a 40-31 lead at intermission.

With 9:15 minutes remaining in the game Gettysburg had built a 72-56 advantage but the Diplomats started hitting. Huber registered a tap-in, Lantz drove up the middle, Gray connected on a jump shot and Leslie hit on another jump from the foul circle to cut Gettysburg's lead to 72-64. After an exchange of shots, the Bullets moved back to a 15-point lead and held it until the final buzzer sounded.

FROSH RALLY

The Gettysburg freshman squad had to come from behind a seven-point deficit with 1:20 remaining in the game to take a 59-57 decision over the Diplomats yearlings in the preliminary contest.

The Lancaster frosh put on a fine exhibition of shooting and during several parts of the contest out-rebounded a taller Bullet squad. The win marked the 12th for John Carpenter's squad against four losses.

Bill Baber and Dick Mahland topped the host club with 18 and 14 points respectively while Bill Martindale landed 13 for the Bullet yearlings.

Both Gettysburg teams will be in action Thursday night when they travel to Allentown for an engagement with Muhlenberg. The tilt will mark the final game of the season for the varsity while the yearlings will play Hill School on Saturday afternoon in their last game of the year.

Fairfield High School (10-11) finished its basketball season Tuesday evening when it lost a 53-44 decision to James Buchanan at the Fairfield floor.

Fairfield grabbed a 17-9 lead in the first period and then wilted, although leading 26-23 at half time. Buchanan moved ahead 43-40 at the end of the final frame and pulled steadily away in the last quarter.

The Fairfield attack was well balanced with Joe McCauslin netting 10 points, Bob Bostwick and Ted Kane nine each and Randy Inskip eight. J. Hoffman connected for 18 for the winners.

Buchanan's reserves took the preliminary game in easy style 46-23.

FRANK REAGAN IS DISMISSED

VILLANOVA, Pa. (AP)—Villanova University announced today it has dropped Frank Reagan as athletic director and replaced the former college and professional football star with baseball coach Art Mahan.

Reagan, who played football at Penn and later with the Philadelphia Eagles and New York Giants of the National Football League, has been connected with Villanova since 1954. He was selected football coach that year, taking on the additional duties of athletic director in 1957.

Mahan, a Villanova alumnus, class of 1936, played first base for the Philadelphia Phillies one season before entering the Navy.

Gasper Ortega Is Fighter Of Month

NEW YORK (AP)—Gasper Ortega's nontitle upset victory over welterweight champion Benny (Kid) Paret of Cuba last Saturday earned the Mexican "fighter of the month" honors from Ring magazine.

Aggressive Gaspar also regained a berth in the welterweight division's top ten in the monthly Ring ratings released today. Ortega was rated seventh month. He takes the place of Denny Moyer of Portland, Ore., who has grown to a middleweight. Moyer was ranked 10th in the heavier division.

In the light heavyweight class, Harold Johnson, the NBA-recognized champion, was made the No. 1 contender again. Italy's Giulio Rinaldi retained second place but Scotland's Chic Calderwood was dropped from first to third. Ring recognizes Archie Moore as champion.

Nigeria's Dick Tiger was promoted from fifth to fourth among the middleweights, changing places with inactive Joey Giambra of Buffalo, N. Y.

BIGLER LOSES LAST TILT TO DELONE 73-50

A disastrous basketball campaign for Biglerville High School came to an end Tuesday evening when the Cannors dropped a 73-50 Decision to Delone at Sherrystown. It was the 16th straight loss for the Cannors and leaves them with a 3-18 record.

Delone (9-9) wrapped up the outcome by outscoring its opponents 24-9 in the second period after being held to a 15-12 margin in the first period.

Ron Riley was the big gun for the Squires with 28 points and Dick Rosensteel added 12. Rod Sheaffer, Gary Beatty and Wayne Lochbaum netted 13, 12 and 11 for Biglerville.

The Biglerville reserves finished with a 6-14 record by taking the preliminary 42-38.

Delone is scheduled to meet York Catholic on the latter's floor in a Central Penn Catholic League game Thursday.

RHODE ISLAND ENTERS NCAA TOURNAMENT

By HUGH FULLERTON JR.
Associated Press Sports Writer

Rhode Island, a one-time national basketball power that has suffered through ten lean years, is the latest qualifier for the National Collegiate basketball tournament and the lists for the two big postseason affairs are filling rapidly.

The Rhode Island Rams became the ninth qualifier for the 24-team NCAA tournament when they beat Massachusetts 83-73 Tuesday night and clinched the Yankee Conference championship. That gave them an 8-1 conference record, Maine, 99-80 winner over New Hampshire, finished with 7-3 and perennial champion Connecticut has 6-3.

The 12-team National Invitation Tournament also has nine in the fold and shortly before Rhode's victory received a qualified acceptance from Colorado State University. But since that implied conceding the Skyline Conference title and its automatic NCAA bid to Utah, you'd have to say the tournaments are even.

OTHER GAMES

In other major basketball developments Kansas, ineligible for postseason competition, kept alive its chances of beating out Kansas State for the Big Eight title. Morehead took the Ohio Valley Conference lead and a long step toward a NCAA bid; two NCAA qualifiers, Marquette and St. Joseph's (Pa.) won and NIT-bound Temple was upset by Penn State.

Kansas walked last-place Oklahoma 81-56 by controlling the rebounds although tall Wayne Hightower was limited to 10 points—his season low.

Morehead (9-2) clobbered Eastern Kentucky (8-3) 90-73 to break a tie for the Ohio Valley lead. They clash again Saturday. If the result should be reversed, they'd wind up in a three-way tie with Western Kentucky, which has finished its league season at 9-3.

ST. JOSEPH'S WIN

Marquette, recently named for a NCAA at-large berth, just last ed to beat a stubborn Drake team 74-72 after leading by 17 points with five minutes to go.

St. Joseph's, the Middle Atlantic Conference university division champ, had a 76-74 squeaker against Albright, the northern college division champions. Billy Hoy's last-second basket gave the Hawks their 12th straight victory.

Temple, trailing at half time, rallied and the lead changed four times before Earl Huffman put Penn State ahead to stay. Portland strengthened its claim for an NCAA at-large berth by again beating Gonzaga 81-63.

CLEARWATER, Fla. (AP)—Manager Gene Mauch of the Philadelphia Phillies is happy with the progress his pitchers and catchers have made up to today. They began preliminary training last week and will be joined by the rest of the team today.

"This weather has been perfect and we've accomplished a great deal," said Mauch Tuesday after a three-hour workout with emphasis on the fielding of bunts by pitchers.

Bolts Oppose Cornwall In District Playoff At Carlisle Thursday

Littlestown and Scotland, who will meet later for the championship of the Adams-Franklin Basketball League, will be participants in the Class C District 3 PIAA quarterfinal doubleheader to be held on the Carlisle High School floor Thursday evening.

Scotland, winner of the Franklin Division title, meets Green Park in the opening game at 7 o'clock while Littlestown, Adams Division champ, meets Cornwall of Lebanon County in the second game.

Cornwall has an overall 13-7

record as a result of taking a

pair of games from Myerstown last week 85-54 and 76-28. Three of the losses were in Lebanon County League games.

Coach Ernie Firestone, former Albright College star, carries a 10-man varsity squad.

Starters are expected to include John Goshert, 6-0 Senior; Dick Thompson, 5-10 Senior; Wilbur Smith, 5-10 Junior; Lee Savant, 6-3 Senior and the tallest man on the squad, and Ken Shank, 5-10 Senior.

Other members of the squad include Dennis Hartman, 6-1 Senior; Henry Hamby, 6-0 Senior; Don Wise, 5-4 Junior; Ron Hollinger, 5-6 Junior, and Bob Doll, 6-0 Sophomore.

Savant is Cornwall's leading rebounder and ranks second in scoring, a close second to Shank.

Littlestown has turned in a 14-8 record during the regular season, taking the Adams laurels with a 12-6 mark.

Coach Bream will probably start his regular group of Bob Benner 6-4, Larry Weikert 6-0, Gene Apple 6-2, Larry Bair 5-11 and Bill Bowers 5-10.

Meanwhile, Norristown, Coatesville, Catasauqua and Mount Lebanon scored victories to move up in the Class A side of the PIAA playoffs.

Darby will meet Upper Dublin Friday in the first round of District 1 competition.

In other Class B action, Edgewood beat RANKIN 62-39 for the Section 16 PIAAL championship and Bell-Avon squeezed past Dayton 60-59 for the league's Section 21 title.

B DEFENDERS
Edgewood will meet Wampum, the defending state Class B champ, and Bell-Avon will take on Avalon in WPIAL quarter-final action Friday night.

In Class A, Norristown and Coatesville advanced after posting easy victories in District 1 playoffs. Norristown beat Penncrest 69-42 while Coatesville defeated Yeadon, 61-45.

The two winners meet March 9 for the district semifinals. Catasauqua, defending District 11 Class A champ, won the Lehigh Valley season championship by beating Palmerton 58-41. Catasauqua takes on Parkland Friday.

BERWICK WINS
In WPIAL Class A competition, Mount Lebanon beat Beaver 31-29.

Mount Lebanon will meet Alliquipp, successor to state champion Farrell as Section 3 champ, in a quarterfinal March 7.

Renovo, a strong Class B team, won a 55-53 decision over Class A Lock Haven in overtime Tuesday night to win the Central States League championship.

In other league playoffs: Berwick defeated Sunbury 56-55 for the second half championship of the Susquehanna Valley League. Berwick now comes up against first-half winner Sunbury again for the league title.

Montoursville beat Northumberland 45-37 for the second half title in the West Branch Susquehanna League and will meet Muncy, the first-half winner, for the league championship.

And York Central won the York County championship by beating Eastern York 56-36. Both teams qualify for playoff berths by winning their division of the county league.

SCHOENDIENST IS TRYING OUT WITH ST. LOUIS

By MIKE RATHET
Associated Press Sports Writer

Quietly and without fanfare, Red Schoendienst trots out to the infield every day and continues the conditioning process he hopes will restore the agile movements that made him one of the greatest second basemen in National League history.

Sparingly used during 1960, Schoendienst was cut by the Milwaukee Braves at the end of the season and now is trying to grab a berth with the St. Louis Cardinals—the team with which he started his illustrious major league career in 1945.

Sixteen years later, apparently fully recovered from the tuberculosis attack that struck in 1958, he's back on the same spot. He has no contract—has about the same chance to make the Cards as the rawest rookie.

HEMUS HOPEFUL

Manager Solly Hemus, looking for added infield insurance, is giving the 38-year-old switch hitter every opportunity. Tuesday the old redhead, who set two outstanding NL fielding records, performed with skill and ease.

"I'm sure Red will make it," said Hemus of the flashy fielding Germantown, Ill., native who holds the record for most chances accepted without an error, 320, and most consecutive errorless games by a second baseman, 57.

"And," continued Hemus, "we'll be better off having him as an infield handyman."

SPAHN HAS TROUBLE

Warren Spahn, the ace left-hander of the Milwaukee Braves' pitching staff who'll be 40 when the season opens, is having trouble with his left knee, a chronic ailment.

"It's stiff right now," said the southpaw who is only 12 victories shy of the 300-win circle. "This isn't half bad as last year, though," he smiled. "Then it used to swell up half again its normal size."

At the Los Angeles Angels camp, Eli Grba twisted his left knee while pitching batting practice. The Chicago Cubs utility infielder, Jim McKnight, was sent to a physician for examination of his chest and a sinus condition.

3 MORE SIGN

Off the playing field, four clubs cut their list of holdouts with Kansas City signing pitcher Ray Herbert, their final holdout, for a reported increase of \$1,500 to \$17,500. Herbert won 14, lost 15 for the last-place A's last year.

Shortstop Luis Aparicio of the Chicago White Sox, who hit .277 and stole 51 bases last season, signed a contract for a substantial raise to about \$40,000.

Infielder Tony Roig also agreed to terms with the Sox. First baseman Joe Adcock came into the Milwaukee fold and Detroit outfielder Charley Maxwell (\$26,000) put his name on the dotted line.

Co-eds Finish Cage Play With 2 Wins

The Gettysburg College girls' basketball team ended its 1961 season by rolling to its sixth win when it edged the strong Elizabethtown outfit 40-37 here Tuesday night. Gettysburg finished 6-4 for the season.

The Bulletes were forced to come from behind in the final frame. Elizabethtown led 18-16 at intermission and 26-25 after three frames. Gettysburg then scored 15 times on the shooting of Diane Fenstermaker and Lynn Brown.

Fenstermaker and Brown set the scoring pace for the Bulletes with 18 and 15 points, respectively, while Shirley Sharp topped the visitors with 18 tallies.

The Gettysburg reserves closed out their 1961 campaign with a one-sided 44-23 win over the Blue Jay reserves. Virginia Havens paced the winners with 21 points. Eleanor Hall topped Elizabethtown with 10 points. The Gettysburg junior varsity finished the year with an outstanding 8-3 record.

NO ALARM IN ARENDSVILLE IN NINE MONTHS

The 251 members of the Arendtsville Fire Company have not fought a fire for nine months, but in the meantime, they have built a new 60 x 80 fire engine house on Pearl St. The company held its first meeting in its new home in January.

The old quarters, a garage which housed two trucks, was located in the former Arendtsville High School building on High St.

The new brick building has a large area for the two trucks plus another large space for the company to hold meetings. The necessity of the meeting place was realized when membership reached 251 persons. Arendtsville has a population of 588.

\$24,500 BUILDING

The building cost approximately \$24,500. \$16,750 remains unpaid. The company has planned a card party March 10 and a turkey and oyster supper March 11 to raise funds to help pay off the debt. The ladies Auxiliary has donated \$1,000.

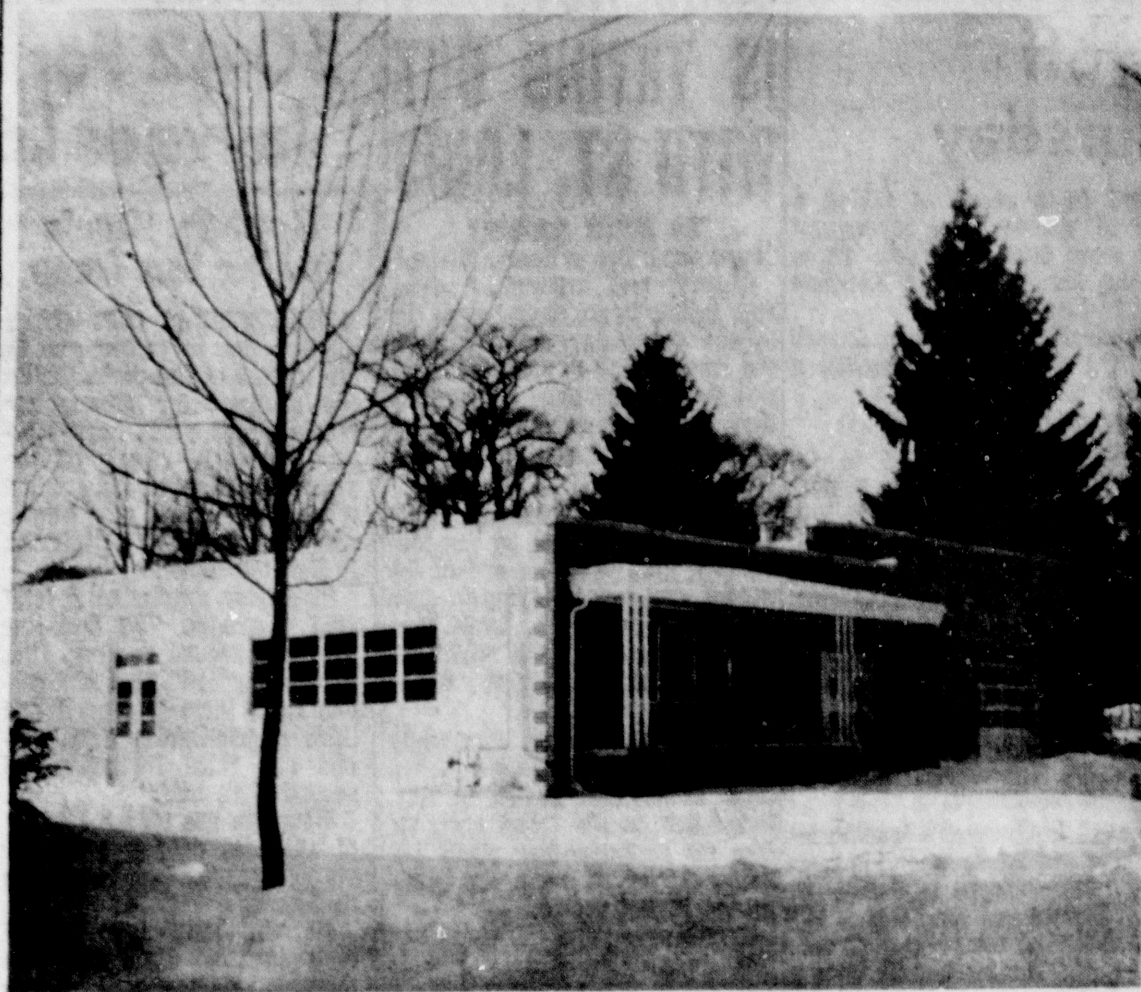

Glenn Bream is president of the company; Sterling Sell, vice president; Carl Carey Jr., secretary; Paul Hartman, treasurer; Ira Cutshall, financial secretary; and trustees, Harry Dickert, Harry McDannell and Lawrence Walde. Fire chief is Elliott Slusser. Guy Herring is in charge of the fire police.

The Arendtsville Fire Company is a member of the county civil defense network and, when the dial system is installed there, residents may call directly and the alarm will be set off. Present plans call for residents to phone the operator who sets off the alarm.

Average attendance at the meetings in the past have been about 20, but officials are hopeful that the figure will increase since better and modern facilities are available.

BODYGUARD OF CUBAN RED IS SHOT TO DEATH

HAVANA (AP)—An army captain described as a close friend and bodyguard to Ernesto Guevara was killed Monday in a street shooting a block from the Cuban economic chief's house.

Whether the shooting was part of an attempt to assassinate Guevara himself was not clear. The government denied it was, although newspapers and radio stations were ordered to suppress the story for hours.

Guevara, 32, appeared unruffled at his installation as Minister of Industries several hours after the shooting.

ASSAILANT WOUNDED

The dead man was identified as Capt. Hector Salinas. The first official version, issued by the Military Investigation Department, conformed in part with versions

given by unofficial informants.

A department spokesman said Salinas noticed Pedro Delgado Duarte, 21, of Las Villas Province, loitering near Guevara's Miramar residence. The spokesman said Salinas became suspicious, asked the youth for his papers and the youth pulled out his gun and fired. Salinas fired back and gravely wounded the youth before falling dead.

The youth was reported to have been shot in both hips and taken to a military hospital for questioning.

BRIEFS

SEOUL, South Korea (AP)—Thousands of high school students demonstrated against the new U.S.-South Korean aid agreement Tuesday in Taegu, South Korea's third largest city. South Korea's lower house ratified the agreement today.

MANCHESTER, England (AP)—Jean Holland Kelsall celebrated her 21st birthday Tuesday. And 63 years from now her twin brother, Jimmy, can do the same.

Mrs. Kelsall was born at 11:20 p.m. on Feb. 28, 1940. Brother Jimmy arrived three hours later—on the Leap Year day of Feb. 29.

As a result, he has so far had only five birthdays.

BRUSSELS, Belgium (AP)—Retiring U.S. Ambassador William S. Burden and Mrs. Burden left Tuesday by plane on their way home.

MONTREAL (AP)—About 400,000 persons in greater Montreal were still without heat and light Tuesday in the wake of a severe weekend sleet and snow storm. The storm brought one-quarter of an inch of freezing rain and six inches of snow.

KARLSRUHE, Germany (AP)—Chancellor Konrad Adenauer suffered a major domestic defeat Tuesday when his action to set up a federally controlled second TV network was judged unconstitutional.

TAIPEI, Formosa (AP)—U. S. educated Huang Kuo-shu, 54, Tuesday was elected president of the Chinese Nationalist Yuan (Parliament), succeeding Chang Tao-fan, who resigned because of ill health.

MEXICO CITY (AP)—Lorenzo Juarez Michel appeared in a police station to reported that he had been assaulted, beaten and robbed while at work. Juarez is a police officer.

LONDON (AP)—The trial of five alleged Soviet spies accused of looting a royal navy research station of British Admiralty secrets was set Tuesday for March 13.

MORE REPORTS ON TAXES FILED

Hamilton Township's taxpayers, 327 for real estate and 450 for per capita tax, paid \$35,365.14 during the last year, according to the report of Tax Collector John W. Slaybaugh filed with the clerk of court's office.

The amount included \$3,671.85 for the township, \$25,374.66 for the school board, \$4,071.39 for the county and \$1,847.24 for the institution district. The tax collector's commission was \$1,198.23.

The report of Tax Collector Walter E. Harbold showed the 581 taxpayers in Latimore Township paid \$42,754.79 to him during the last year. The report was filed Saturday at the clerk of court's office in the courthouse.

Of that amount \$6,523.72 was for the township, \$29,505.89 for the school district, \$3,704.27 for the county and \$2,022.91 for the institution district.

Of the amount collected for the school board \$5,136.14 came from the 20 per cent occupation tax levy. The collection was made at a cost of \$1,489.94 of which \$1,294.68 represented the tax collector's commissions.

According to Harbold's report, H. A. Berkheimer Associates, Bangor, Pa., collected delinquent county taxes in his township during the year.

FUNDS FOR CUBANS

MIAMI, Fla. (AP)—Hundreds of Cuban refugees today were enjoying concrete proof of Uncle Sam's sympathy—relief checks handed out in the first disbursement of federal funds at the Miami Cuban refugee center.

Heads of families got checks averaging \$38. The total disbursement, handled by Florida Welfare Department officials, amounted to almost \$10,000. Refugees who got checks Monday may return in two weeks for more assistance.

FIRE DESTROYS RESTAURANT

MECHANICSBURG, Pa. (AP)—A two-alarm fire has destroyed the Fountain House Restaurant—a 200-year-old building—near here.

One fireman was injured early Sunday as flames swept through the two-story, stone landmark, leaving nothing but a burned out shell. Hampden Twp. Fire Chief Charles Shank Jr. estimated damage at \$75,000.

People of the world who speak English—284 million—are outnumbered by those speaking Mandarin Chinese—469 million.

UNIONS TAP MEMBERS FOR \$2.2 MILLION

Editor's Note: The following interpretive was written by Norman Walker, a veteran AP reporter who has covered the top stories in the labor field for many years. He knows labor laws and labor leaders intimately and has written extensively of the many problems that spring from them.

By NORMAN WALKER

Associated Press Labor Writer
MIAMI BEACH, Fla. (AP)—The AFL-CIO is tapping its members for an extra \$2.2 million to counter a deficit caused by a combination of bad luck and bad work.

The bad luck is the unemployment situation. In five years the AFL-CIO has lost a million members, many of them made jobless in the 1958 recession and the current one with consequent dues payment loss.

ORGANIZING FLOPS

The bad work comes from a lack of successful organizing. The federation's unions have lost either their technique or zeal or both in enlisting new members.

These are the reasons behind a decision made Monday by the 29-member AFL-CIO Executive Council, high command of the labor union federation, to levy a special assessment on the organization's 12.5 million members.

The special dues payment will be three cents a month per member on top of the regular five cents a month dues payment. This makes a total of eight cents a month payable by each affiliated union on each of its members.

This is a temporary expedient to meet a financial crisis. AFL-CIO leaders said privately that when the federation's convention convenes in December they expect to propose, and get, a permanent two-cent hike in monthly per capita dues.

OUTFIT IS WOBBLY

All this underlines the fact clearly shown in the 10-day winter meeting of AFL-CIO chiefs, now nearing a close, that union labor's main organization is currently wobbly both in word and deed.

Pronouncements from the AFL-CIO leaders have largely dealt with the bread and butter wage and job security matters that

Pistol Whips, Shoots Woman

PHILADELPHIA (AP)—A man Monday pistol whipped and shot a 51-year-old woman who was baby-sitting in a suburban Elkins Park house in what police said was a burglary attempt.

Mary Stacklove was taken to Abington Memorial Hospital where she was reported in serious condition after two bullets were removed from her chest.

Miss Stacklove told police she let her assailant, whom she described as tall and heavy-set, into the house when he said he had come to fix the back door, which had been broken Sunday by a burglar.

Police said they believe the man was the same burglar who broke into the house Sunday and took a \$1,000 mink coat.

Police quoted Miss Stacklove as saying the bandit seized her and demanded money. The man then ordered her to take off her clothing, police said, and she refused, screaming for help. It was then, officers said, that the gunman struck her several times on the head. He fled without taking anything.

Mrs. Victor R. Tabac, owner of the house, was attending a luncheon when the shooting occurred. One of the Tabac children, Bradley, 5, told police the man shoved him into a closet.

Home Not Robbed; Wanted Accordion

PITTSBURGH (AP)—The home of Mrs. Sophie Majewski wasn't robbed after all. She just wanted to buy her husband an accordion. Police said Monday Mrs. Majewski, a Polish immigrant, has admitted her story about being robbed was all make-believe.

She had told officers two holdup men entered her home in the city's Mt. Washington section last Tuesday night and took \$55.

Discrepancies in Mrs. Majewski's story, plus a tip, led to the finding of the money in a glass jar in the Majewski back yard, police said.

Mrs. Majewski then admitted she took the money from her husband's wallet to buy him an accordion, officers said.

No charges were filed against her.

worry the average worker.

This is partly due to the changing American scene—the fact that the era of manual labor is fast disappearing and that the day is dawned for the clerical workers more highly skilled and less susceptible to becoming union members.

The labor leaders are aware of this change but as yet haven't decided on a successful formula to handle it.

JFK WAGE PLAN INFLATIONARY

WILLIAMSPORT, Pa. (AP)—A conservative Republican leader predicts that President Kennedy's proposed minimum wage increase would cause unemployment and inflation.

Sen. Barry Goldwater, R-Ariz., contended Monday night that the proposed increase would cost a half million persons their jobs. He said wages already account for 60 cents of the business expense dollar and increasing that cost would speed automation.

Goldwater is a member of the Senate Labor Subcommittee which begins hearings today on the bill to increase the present \$1-an-hour minimum wage to \$1.25. He spoke here at a Junior Chamber of Commerce banquet.

Harold J. Stroehmann Jr., president of Stroehmann Bros., a baking concern, was named the Jaycees' "Young Man of the Year" of the Greater Williamsport area in recognition of his civic activities. His younger brother, David L. Stroehmann, vice president of the company, received the Key Award for outstanding contributions to the Junior Chamber of Commerce organization itself.

ski's story, plus a tip, led to the finding of the money in a glass jar in the Majewski back yard, police said.

Mrs. Majewski then admitted she took the money from her husband's wallet to buy him an accordion, officers said.

No charges were filed against her.

Superintendent Of Schools Quits

NEW ORLEANS, La. (AP)—The embattled Orleans Parish School Board began casting around Tuesday for a new school superintendent.

Dr. James F. Redmond, 45, one of the central characters in the bitter New Orleans desegregation battle, announced Monday night that he would not renew his contract July 1.

Redmond—head of the city's \$100 million public school operations for eight years—said he had been offered other opportunities which he couldn't ignore.

Louis G. Riecke, board president, said Redmond had asked for \$30,000 a year. He is now paid \$23,500 annually.

Redmond, a special target of Louisiana legislators' ire since two New Orleans schools were integrated last Nov. 14, has not been paid since then.

HARRISBURG (AP)—The Senate adopted 48-1 has a proposed amendment to the U.S. Constitution extending the voting franchise to residents of the District of Columbia.

Sen. D. Elmer Hawbaker, R-Franklin, cast the only dissenting vote as the Pennsylvania General Assembly completed action on the proposal.

HARRISBURG (AP)—The Senate, with two Republicans joining the 25-member Democratic delegation, Tuesday passed another of Gov. Lawrence's tax proposals. It would raise \$1 million by requiring 80 per cent prepayment of the bank shares levy before June 1. A vote of 27-19 sent the measure to the governor for his signature.

TO SHOW LIONS
HOW DIALING
WILL OPERATE

Representatives of the United Telephone Company will be present to demonstrate the new dial system at the semi-monthly dinner meeting of the Littlestown Lions Club on Thursday at 7 p.m. in the Starlite Room, Dutterer's Restaurant. The program will be in charge of the education committee composed of H. Dean Stover, Amos L. Spangler and C. M. King.

Future special dates for the Lions include the Fairfield Lions Club's 15th anniversary celebration at the Chale Restaurant, near Dillsburg, on Tuesday, March 21, at 7:30 p.m. There will be dinner, a prominent speaker and entertainment. Tickets are available from Secretary Chester S. Byers. The District 14C Lions meeting will be held Thursday, April 6, at the Scottish Rite Consistory building in Harrisburg. The speaker will be Aubrey Green, third vice president of the Lions International from York, Ala. Tickets may be secured from President J. Harvey Pettyjohn. The Pennsylvania State Convention will be held in Harrisburg May 14, 15 and 16. The national convention will be held in Atlantic City, N. J., June 21-24.

FUTURE TEACHERS MEET

A meeting of the Enoch Flower Chapter of the FTA of Littlestown High School was held Tuesday after school in charge of President Richard Mackley. An invitation was read to the Future Teachers of America to attend the southern district convention in preparation for the 13th annual Pennsylvania state convention April 7 and 8. The district convention will be held Thursday from 5:30 to 8:30 p.m. at the Hempfield High School, Landisville. The two major reasons for the convention are to nominate and elect candidates for state office and to collect material for the district scrapbook. Five members of the local chapter plan

to attend the convention and they are: President Mackley, Susan Fodt, Brenda Hollinger, Bonnie Storm and Secretary Sandi Hawk. The chapter decided to order "Robert's Rules of Order Revised" for use by Jackie Morelock, parliamentarian, and Elmer W. Gall, advisor.

Thomas L. Cookson Jr. will be in charge of the entertainment at the March meeting of the Carroll-Adams Riding Club, Inc., at 8 p.m. on Thursday in the clubhouse at "Sunset Hill Farm," near town. Norman Fritz Jr. and George Utz comprise the refreshment committee.

LITTLE LEAGUE MEETING

An organization meeting was held by the officers, managers, team sponsors and other persons interested in the Little League on Sunday afternoon in the Alpha engine house. It was decided to continue being affiliated with Little League. The league will participate in the post season playoffs of baseball teams in the county. A representative of the local Little League will attend a meeting in Gettysburg to discuss the playoff tournament.

Sterling J. Wisotzky was granted permission to erect a scoreboard on the Little League playing field. Guy L. Conover and Carroll Oaster will keep the diamond in the shape for the 1961 season. The officers and managers will meet again this month on a date to be announced.

Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars met Tuesday evening at the post home, W. King St., with Commander Earl J. Weaver in charge. It was announced that the new social quarters are ready for occupancy and the new addition to the home is nearing completion. Three visitors were introduced: 21st District Senior Vice Commander Gene Stauffer, York; 21st District Junior Vice Commander Earl Moser, Chambersburg; and membership chairman Paul Kopp, East Berlin. Members are reminded that dues are payable to Quartermaster Bernard Kuhns. The post will meet again on Tuesday, March 14, at 8 p.m.

The White House has 150 rooms including a solarium, barbershop, doctor's and dentist's offices, a movie theater, swimming pool and a bomb shelter.

FIVE KILLED IN
FLAMING CRASH

MOUNT CLEMENS, Mich. (AP)—A loaded Air Force tanker plane smashed in a flaming smear across a busy highway late Tuesday, destroying two buildings and narrowly missing a tavern and a tulip farm home. The pilot had just veered his stricken ship, loaded with 9,500 gallons of fuel, away from a crowded housing project.

The pilot, Lt. John C. Bibble, 24, Urbana, Ill., and the four other airmen aboard lost their lives. A housewife, Ruth King, 32, said the four-engine, prop-driven KC97 from nearby Selfridge Air Force base struck "in a great big billow of flame and smoke."

The big pot-bellied ship, crashing moments after takeoff, left a wake of burning wreckage. Pieces hung from overhead power lines and clogged U. S. 25, the highway leading from nearby Detroit.

An Air Force spokesman said the ship was on a routine refueling mission when it apparently suffered a power failure.

SCHOOL GETS
CAREER DATA

Literature on an important subject is being distributed in the Ninth and 10th Grade vocational guidance classes at the Bermudian Springs Junior-Senior High School. The literature is called "Your Future Occupation" and the subject is guidance.

It consists of a series of colored, simply written pamphlets on an individual career, or related careers, part-time jobs for students and scholarship and financial aid information for college preparatory students.

Accompanying each pamphlet is a teacher's guide giving suggestions for class discussion on each of the topics included in the pamphlet.

SEEK CAREER DATA

"One of the most difficult things to get," says John Rebert, guidance counselor for the school, "is completely up-to-date material on a great many different occupations."

Introduced into the guidance program recently, the pamphlets and accompanying guides are published every two weeks and every other week a new set of pamphlets and guides is available for two Ninth Grade sections and three 10th Grade sections.

The policy of "Your Future Occupation," is to "stimulate and encourage students to search out career information and guidance on their own initiative and to encourage parents to actively participate in the guidance process."

Each student affected receives one of the four-page pamphlets and is expected to take it home and discuss the jobs covered with his parents. Then in one period every two weeks, the students discuss their findings and impressions with their class and teacher.

Barbara McIntire
Wins Medal Play

ST. AUGUSTINE, Fla. (AP)—Barbara McIntire of Lake Park, Fla., former national women's amateur champion and current British women's champion, apparently is fully recovered from an illness that kept her out of tournament play several weeks. She returned to action in the Florida East Coast Women's Amateur tourney Tuesday and took medal honors with 36-37-73, two over men's par for the 6,545-yard Ponce de Leon course.

Miss McIntire met Mrs. Walter Thomas of Cincinnati in a first-round match today. Mrs. Thomas qualified with 91.

Judy Bell of Wichita, Kan., who was second in qualifying with 38-38-76, started match play against Mrs. Walter McDougall of Ponte Vedra Beach, Fla., who qualified at 92.

TEST CESSNA'S PUSH-PULL. WICHITA, Kan. (AP)—Cessna aircraft's unique push-pull plane for high-flying business men had its first test Tuesday.

PRESIDENT OF PMA SAYS U.S. HELP IN PA. IS NOT ENOUGH

PHILADELPHIA (AP) — The president of the Pennsylvania Manufacturers' Association has called the state and local governments, the leaders of labor, industry and its employees to work for "practical improvements" in the industrial climate.

"We cannot look to federal aid to do the job of attracting and retaining industry in Pennsylvania," James F. Malone told the annual meeting of the PMA Tuesday night.

Malone noted that Pennsylvania today has nine large and 17 smaller areas designated by the U. S. Department of Labor as "areas of substantial labor surplus."

GAPS PARTLY FILLED

He told the gathering of nearly 2,000 business, civic and political leaders of both parties that "despite our present economic imbalance Pennsylvania still retains her excellent resources."

Malone said that the gaps left in Pennsylvania's industry by the decline in the coal and lumber industries have been filled partially by diverse manufacturing "upon which we primarily depend for our jobs, taxes and institutional support."

He said manufacturing isn't taking up more of the present economic slack in Pennsylvania because of a rapid change in economic demand, because the make-up of ordnance for national defense no longer requires the same amounts of heavy metals made in the state, because of mechanization and automation and because "we have not retrained the employees displaced by shifts in consumer demands."

POINTS SOLUTION

But the hard core of the problem in Pennsylvania, Malone said,

lies in the fact that "as an industrial state there were years of built-in rigidities which did not exist in the new-growth states in other parts of the country . . . As a consequence, these states which were changing to an industrial economy profited by attracting many of our plants. . . ."

Then he went on to note that the solution of the problem does not lie alone in aid by the federal government or federal funds.

He urged that Pennsylvania industry be sold on the idea that it is to its benefit to expand within the state instead of building new units elsewhere.

"We still need more new plants in Pennsylvania," Malone declared. "We need to check the migration from Pennsylvania of old established industries."

Gov. David L. Lawrence, who also addressed the gathering, said the relationship between business and government "has consistently been improving."

SAY MOTHERS LIKELY TO GET BIRTH BLUES

By THE ASSOCIATED PRESS

The blues after birth, dangerous cockroaches and new clues to hard-bitten teeth are subjects with a focus on health.

One of 10 new mothers gets the blues just about the fifth day after her child is delivered, a scientist says. The reason is probably an antilimox in the adventure of motherhood.

Throughout her pregnancy she gets lots of attention from her husband, friends, relatives and her doctor, explains Dr. George W. Morley of the University of Michigan.

This attention reaches its peak about two or three days after delivery. Then suddenly it decreases. Most patients can give no reason for the blues, admit that it's silly, but the blues are still there. Most frequent treatment is to have a good cry and talk it out.

TEETH ADVICE

A new clue to ways to make teeth less susceptible to decay comes from University of Alabama scientists—and more than 300 human teeth.

The researchers softened the tooth enamel with a known softening agent—and then rehardened the enamel by soaking the teeth in a solution of calcium salts. The teeth hardened faster when a small amount of fluoride was added to the soak.

The findings suggest how fluoride acts on teeth when added to drinking water or is directly applied to the teeth.

ROACHES DANGEROUS

The lowly cockroach may be highly dangerous—thanks to its hospitality for a whole family of human ills.

Cockroaches have been found to carry four strains of polio virus, some 40 kinds of bacteria that infect man and the eggs of some worms that can affect both man and animals.

The cockroach also carries along some 220 other viruses, fungi, bacteria and worms which are harmless to man, says a report published by the Smithsonian Institution.

Man identified as Fred Thompson, checkered shirt, is held by New Jersey state trooper at Toms River, N. J., after he was taken into custody at a nearby chicken farm. Police said he admitted the slaying of four-year-old Edith Kiecorius in New York City. (AP Wirephoto)

out to play in front of Uncle Manuel's home while her mother and grandmother talked family talk inside. Uncle Manuel was outside, keeping an eye on her, but he needed a pack of cigarettes and walked around the corner.

(The smiling man came up to the little girl and spoke to her kindly: "I have a little girl like you, but she's sick at home. Would you like to come and visit her?" The friendly child walked off with the nice man.)

Google wasn't in sight when Uncle Manuel came back a few minutes later. He looked all around but couldn't find her. Worried, he told the women inside, and everybody began looking. The longer they looked, the more worried they got.

POLICE COMB AREA

Finally they told the police, who combed the neighborhood and questioned everyone who had been around when Google disappeared. That night, after hours had gone by with no trace of her, police announced that a little girl was missing.

About that time, a wild-eyed man was locking the door of a second-floor room a few blocks away. He had the only key that would unlock that door, for the duplicate he had given to the landlady wasn't a duplicate at all.

HELICOPTERS SCOUR ROOFS

At first, police thought someone might have taken the little girl home with them for a meal or a warm place to sleep, thinking she

borhood. (Two miles away on the opposite side of Manhattan, there were many men with haunted eyes, huddled in cheap Bowery rooms, trying to drive away their private ghosts with wine or beer. There was one who was more suddenly drunk and whose eyes were more haunted than the others.)

USE SOUNDTRACKS

By Friday there were more than 400 police in the hunt, with pictures of the little girl stuck in their caps, and soundtracks were blaring all over a wide area on the West Side, describing the missing child.

Records were pored over for a clue—recent deaths of children about Google's age. The mother made public appeals: "Only a mother can understand the way I feel."

Over the weekend the search went on without a letup. Police still knocked on neighborhood doors. Some of them were still locked tight, with silence behind them.

TRIES TO SOBER UP

(On the Bowery, the men with the red-rimmed sad eyes were sleeping it off, or starting all over again. One of them began to try to sober up. He had to get sober enough to get out of town.)

Sunday morning, police began making another round of neighborhood rooms. It seemed hopeless, but something had to be done to keep the search alive. They were on their way to a rooming house on 20th Street, where one locked door had bothered them. At that house, a roomer decided there was something wrong in a silent second-floor room and told the landlady. They were trying to open the door when the cops came. They crashed in. They found a little girl's bruised body on the bed, and they found a purple snowsuit.

SEARCH FOR CLUE
At the police station only half a block away, Edith Kiecorius was talking to police for what seemed like the hundredth time, trying to think of something that would be a clue. They brought her mother to the police station and, in another room, told the grandmother the news. They couldn't stop her screaming, and nobody could keep Mrs. Kiecorius from hearing those screams. She knew before they told her.

Fred Thompson had had many jobs since he walked away from his family 15 years ago, but in 1953 he worked as a nightclub doorman, so he had to have a police cabaret card, with a photograph and fingerprints. Later he gravitated toward the summer resorts in the Catskill Mountains, working at any old job until he would get too drunk to work and would get fired.)

PRINTS OF BEER CANS

Back on 20th Street, police were getting fingerprints from the pile of beer cans that had shared the room with little Edith's body for four days. A police artist was making a sketch of the man who had rented the room, from descriptions of those who had seen him.

Dozens of middle-aged men with no teeth, and the slightest resemblance to the descriptions of the roomer, were picked up and questioned.

On Monday the detectives had found the doorman's cabaret card and matched its fingerprints with those on the beer cans.

SOUGHT EMPLOYMENT

Now they had a photograph instead of an artist's conception, and began preparing a vast distribution.

(The man in the Bowery room had sobered up. On Monday he went to a bus terminal and caught a bus to Philadelphia. He went to an employment agency. They steered him to a man on a chicken farm in Manchester Township, N.J., who wanted a handyman.

(The chicken farmer hired John Andrews and told him to go to work Tuesday. Later the farmer, Max Pesko, saw the artist's sketch of the hunted man and thought it looked something like

Andrews. When he read that Thompson, like Andrews had a British accent, he became more suspicious.

CALLS STATE POLICE

(Tuesday Andrews reported for work. By then, Pesko had seen in another newspaper the cabaret card photograph of Thompson and he was sure. He called the state police.)

In Brooklyn, Mrs. Kiecorius was preparing for a Mass of the Angels for little Edith at St. Rose of Lima Roman Catholic Church.

When the word of capture came from Toms River, N.J., it spread quickly. Within a couple of hours there were hundreds of angry people outside the police station. A relative of little Edith and another woman carried signs demanding the electric chair for Thompson. In the crowd was Uncle Manuel. "I feel better now," he said.

(In New Jersey someone else was telling police that Thompson should go to the electric chair—or at least to prison for life. That, said police, was the verdict of Fred Thompson, alias John Andrews, when he finally admitted what he had done to little Edith.)

(On the drive back to Manhattan—his eyes not so haunted now—he told a police inspector, thoughtfully: "It was the worst crime I have ever known. And I committed it.")

MOSCOW (AP) — The Soviet news agency Tass said Tuesday in a dispatch from Hanoi that an American officer was killed in fighting in Laos near Van Vieng recently.

The U. S. State Department has denied that any Americans are involved in the Laotian fighting.

HONG KONG (AP) — Communist China is negotiating with Australia and Canada for additional shipments of wheat to supplement a purchase of 2.3 million tons that started flowing across the Pacific last month. No official details are available on the negotiations.

GET A QUALITY DEAL FROM A QUALITY DEALER

Buying a USED CAR?

Timely Tips That Can Help Protect Your Investment!

1. Choose your dealer carefully.
2. Buy only from a well established reputable dealer.
3. Buy only from a dealer who maintains his own adequate facilities to service the car you buy.
4. Insist on a WARRANTY in writing that can be "backed-up."
5. BUYING from a NEW CAR DEALER IS YOUR BEST BET. . . . Most new car dealers sell locally owned trade-ins, not Used Cars obtained from Auto Auctions or distress merchandise from large cities.
6. Insist on knowing where the Used Car came from. "Ask who was the previous owner." Most new car dealers will be happy to tell you and invite you to contact the previous owner.
7. New Cars bought from Used Car Dealers . . . REMEMBER, only the New Car Dealer is authorized to extend a FACTORY WARRANTY to a buyer, NO ONE ELSE.

UNITY AMONG CHURCHES IS GUILD THEME

"Unity Among the Churches" was the theme of the program at the monthly meeting of the Women's Guild of Redeemer's United Church of Christ held Monday evening in the church social hall. The opening thought was given by Mrs. Monroe J. Stavelly, the February program chairman. Mrs. Richard A. Little Jr. was piano accompanist for group singing and also played quiet music for the opening, after which the scripture was read by Miss Sharon Finchbaugh.

The program was presented in three parts with "Baptism" discussed by Miss Judy Shomper; "Communion" by Mrs. Robert H. Miller, and "Order of Worship" by Mrs. Harold O. Sentz. The members in attendance were then divided into three groups for further 10-minute discussions and summarizations on the three parts presented. The offering was received and offertory prayer given by Mrs. P. Bernard Weaver. The closing prayer was given by Mrs. Stavelly, followed with the Lord's Prayer in quiet hour.

PLAN QUIET HOUR

Mrs. William W. Seibert, vice president, conducted the business and heard the standing committee chairmen give their reports, also Miss Helen Jacobs, secretary, and Miss Malva Duttera, treasurer. Plans were made to sponsor a drive for children's clothing for any local family who may need them. This project is in charge of Mrs. Elmer W. Gall, Christian service chairman. It was announced that the annual Hood College conference will be held July 11-14 and registrations will be received after April 15. Subscriptions to the "Christian Herald," denominational publication are in charge of Mrs. John W. LeGore, Christian education chairman. The spring regional biannual meeting was announced. Prayer calendars are now available to anyone desiring them. During the social hour, refreshments were served by Mrs. Stavelly and her committee.

The annual Lenten Quiet Hour will be held in connection with the next meeting on Monday, March 27, at the church. Mrs. Elmer Gall will be in charge of the program, for which the theme is "Unity of the Laity."

50 AT DANCE

Over 50 Girl Scouts attended the monthly dance for the community Girl Scouts on Monday evening in the social hall of the Eagles home, W. King St. Music for dancing and refreshments were provided by the FOE. Mrs. Charles E. Ritter, neighborhood chairman, was present. The next dance for the girls will be held on Monday, March 27, from 7 to 9 p.m.

The Girl Scouts of Troop 51 continued work on the hospitality badge at the meeting on Tuesday after school in the engine house. Plans were discussed for the observance of Girl Scout Week, March 12-18. Mrs. Chester S. Byers, Mrs. L. Robert Snyder and Mrs. Clarence J. Krichten Jr., leaders, announced that the troop will have a display in the show window at the John L. Redding barber shop, S. Queen St., during Girl Scout Week. The girls will attend the Juliette Low Rally in Gettysburg on Saturday, March 18, leaving from the engine house at 9:15 a.m. The color guard from the troop at the rally will comprise Peggy Bair, Thurla Hahn and Linda Bittle. The following committee was appointed to be in charge of the window display: Sally Morelock, Susan Oaster, Mary Lou Miller and Sandra Study. The troop is packing a sunshine box as a badge requirement. Members are requested to turn in their birthday money if they have not already done so, at the meeting next Tuesday after school.

Word has been received of the death of the Rev. Herman Stoner, 89, Lancaster, in St. Joseph's Hospital after an illness of several months. He was a former pastor of St. James'.

Foresee Lower Interest Rates On All Mortgages

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP) — The attempt to bring interest rates down is reaching out into a field that millions of Americans know about — mortgages.

Real estate men and builders say there already has been a slight drop in such financing costs in some sections. They credit this to a drop in demand for such funds, thus making a greater supply of investment money available. Builders also hail President Kennedy's executive order lowering interest rates on home mortgages insured by the Federal Housing Administration.

The administration is now closing in from another direction and

The third in the series of the Wednesday evening Lenten services will be held at 7:30 p.m. in Trinity Lutheran Church with Rev. Nelson Sulouff as supply pastor.

Members of the Mite Society and United Lutheran Churchmen will meet this evening after the Lenten service.

Mr. and Mrs. Earl Wilhide and son, Earl, Union Bridge, were Sunday guests of Mr. and Mrs. Albert Wilhide and family, Keyville Rd.

aiming for a drop in rates on conventional, or unguaranteed, mortgages.

ASKS LOWER DIVIDENDS

To this end Treasury Secretary Douglas Dillon has asked the savings and loan industry, especially on the West Coast where rates are highest, to lower dividends paid to savers. This would make possible like cuts in mortgage interest rates such firms charge. They handle about 40 percent of the total of mortgages.

How effective this appeal will be is yet to be seen. Many hold that a drop couldn't be made much before summer because such rates are set for some time ahead.

Consumers also are watching to see if the administration's drive on interest rates will lower the costs of installment buying. But in financial circles it is held that little change is likely. Time payment rates are slow to respond to the ups or down in the general money market and pay little attention to long-term rates.

RECONSIDER BORROWING

Taxpayers, however, might see some roundabout, and doubtless slight, relief if the administration is successful in its drive to lower long-term interest costs. This would come if these interest charges fall enough to make much difference in the carrying costs of borrowings by states and communities to finance their many and growing needs.

Businessmen are more likely to see changes, if the drive succeeds. Cheaper loans in the long-term market could lead many corporations to reconsider borrowing to finance their activities, including construction and modernization plans.

The administration's goal in lowering borrowing charges is to spur such business activity, to encourage more home building, as part of its over-all drive to get the economy out of its stalemate and forging ahead again.

FRB IS HELPING

Making FHA borrowing cheap-

SAY NBC'S JFK REPORT DIDN'T HAVE MATERIAL

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP) — An ambitious experiment occupied the

er and urging a cut in the costs of conventional mortgages is only one of the methods Washington is trying.

The Federal Reserve Board is helping by changing its U. S. securities purchasing policies. It now will buy long-term securities, if it chooses—something it gave up in 1951, except for a brief emergency when the market became disorderly.

By buying long-term bonds, the Fed would help boost their price. And that reduces the yield these fixed-interest paying securities return on the amount of cash spent in buying them.

And if it buys fewer short-term Treasury bills, the Fed will raise their yields and make them attractive for those who might otherwise send their dollars overseas for higher returns. Such seagoing dollars often are used to buy gold from the U. S. Treasury. And the Treasury doesn't want any more of that sale if it can help it.

Financial circles are sharply divided as to whether the administration moves will work, singularly or in toto.

NBC channels for an hour Tuesday night with "J.F.K. Report No. 1."

The program was supposed to be an intimate study of President Kennedy, his family and associates, as well as an analysis of the first 40 days of his administration. It turned out to be neither of these things.

The first part was devoted to a series of fascinating still photographs of Kennedys—all of them previously published—shown with a musical accompaniment and to a sketchy biographical narrative with rich, beautiful but often meaningless prose.

APPROACH CHANGED

(Commentator Frank McGee intoned impressively at one point: "The produce of toughness and unity is—Joy.")

Abruptly, the tempo and approach changed. The program became argumentative discussion of pending legislation by four congressional leaders. Then came another discussion session, with NBC's White House correspondents talking in generalities. For instance, one commented that Mr. Kennedy "likes being president; he makes an interesting president."

WAS PROVOCATIVE

Finally, there were some more still pictures, but these were new, undistinguished and added little to the uneven whole.

Obviously, NBC's news department was striving to give a novel gloss to an old idea. The tricky presentation of the still pictures was provocative. But unfortunately there was not enough good material to sustain an hour's show.

PAY RESPECTS TO REP. MUMMA

STEELTON, Pa. (AP) — Pennsylvania's House delegation has paid its last respects to Rep. Walter M. Mumma, R-Pa.

In a House resolution approved unanimously in Washington, the entire Pennsylvania delegation was named as a committee to represent Congress at funeral services Tuesday for Mumma in St. John's Lutheran Church here.

The 70-year-old Mumma died Saturday, leaving Pennsylvania with 29 House members—15 Republicans and 14 Democrats. Monday's House session was devoted entirely to eulogies of Mumma. Twenty-four members from both parties and from several states praised Mumma for his dedication to duty, his kindness and his sense of humor.

Reps. Charles A. Halleck, Ind., Republican floor leader, and William J. Green, Philadelphia Democratic chairman, said they had never heard Mumma say an unkind word about anyone.

Rep. Francis E. Walter, Democrat of Easton, dean of the Pennsylvania delegation, said that before coming to Washington, Mumma gained recognition as Dauphin County's register of wills through

helping servicemen.

"He paid out of his own pocket the wedding license fees for returning servicemen after the war," Walter said.

Rep. Leon H. Gavin, R-Pa., said Mumma worked hard to "hand on to the generation of tomorrow a better America."

Rep. James E. Van Zandt, R-Pa., called Mumma a "dedicated public servant."

Rep. Paul B. Dague, R-Pa., said, "I'll miss his humor, his kindness and his friendly advice."
